# Feed, Fertilizer, and Livestock Drugs Regulatory Services
# Certificate of Free Sale Fee Schedule
# Effective January 1, 2014

Certificate of Free Sale and one (1) label $100.00

Additional labels will require their own Certificate of Free Sale and will be charged the rate listed above for each label.

All fees are non-refundable.

Applicants must have a current California Commercial Feed or Fertilizing Materials license to receive a certificate. A license may be obtained at: https://inspect.cdfa.ca.gov/evj/ExtraView

Any Certificate of Free Sale label(s) requiring revisions must be resubmitted within 60 days from the date of the request for changes. The file will be closed if the applicant does not respond within 60 days and fees paid will not be refunded.
