REGISTERED FEEDLOT APPLICATION

The Food and Agricultural Code of California, Division 10, Chapter 6, Article 2, Section 21081 reads: "The operator of a feedlot as defined in Section 20013 shall register each such feedlot with the Secretary." Section 20013 reads: "Feedlot means a beef cattle feedlot or feedyard having more than 500 head of cattle at one time during a calendar year in which cattle are being fed for slaughter." Section 21082 states: "The feedlot will show its location, capacity, names and addresses of owners, and any other information that the Secretary may require." The registration shall be approved and filed by the Secretary in order for the feedlot to receive cattle for inspection.

Feedlot Name: _____ Phone: _____

Mailing Address: _____ Fax: _____

City: _____ State: _____ Zip Code: _____

Contact Person: _____ Email: _____

Exact Location of Feedlot: _____

Capacity of Feedlot in Number of Head: _____

Names of Owners or Corporate Officers	Address, City, ST, Zip Code	Phone

Section 21083 states: The Secretary may cancel the registration of a feedlot if the cattle being received are not being brand inspected upon entry into the lot.

Sections 21068 provides for a Special Transportation Permit to allow cattle to be transported out-of-state directly for immediate slaughter. The permit requires the cattle to have been previously inspected in a registered feedlot, to be transported to a licensed slaughterer, and to be accompanied by a permit document issued by the Secretary.

As the owner/corporate officer, I hereby certify that the above information and description provided are true and correct to the best of my knowledge. In addition, I agree to do the following:

1. Report changes in the above information to the Bureau of Livestock Identification.
2. Designate a representative from this feedlot to work with the brand inspector and to schedule the inspections of cattle being received.
