Instructions

1 Enter the name of the fresh fruits and/or vegetables in column 1.

2 Containers are defined as any hand carried type container (e.g., box, crate, lug, carton). For bulk shipping containers that cannot be hand carried, divide the pounds held by the bulk containers by 50 pounds and enter that number in column 2, 3, 4 or 5 (see below).

3 If the commodity is subject to a mandatory inspection under a Federal or State marketing order, law or county ordinance, use column 2. Navel and Valencia oranges, Mandarin Citrus and Lemons from Fresno, Kern, Madera, Orange, Riverside, San Bernardino, Santa Clara, Tulare and Ventura counties report containers in column 4, 5, 6 or 7. (See Standardization Commodity List)

4 If the commodity is not subject to a mandatory inspection under a Federal or State marketing order, law or county ordinance, use column 3. (See Standardization Commodity List)

5 Multiply the number of reported containers by the assessment rate shown in the column heading. Write that amount in column 6 (e.g., if you reported 1000 containers shipped in column 3, multiply 1000 X $0.003 and enter $3.00 in column 6).

6 Subtotal all the column amounts.

7 Fees shall be paid no later than the last day of the month following the month for which the fee is payable. Handlers who fail to pay the fee within the prescribed time shall pay a penalty of 10 percent of the amount due and, in addition, 1-1/2 percent interest per month.

Write in the amount of the penalty and interest owed. If none, write 0.

8 Write in the sum of all amounts entered in column 4 including penalties, if applicable. This is the amount to send to the Department Cashier.

9 Remember to send in this form each month, even if you have not shipped any fresh fruits, nuts, or vegetables. Indicate "No Shipments Made", "Nothing to Report" or a similar statement.

10 If done shipping for season, check "Last report for the season" and indicate month and year when shipping will start again. It is not necessary to send in "0" reports for those months.
