Purpose of this document is to provide direction regarding the process for any petition received by the California Department of Food and Agriculture (CDFA) to amend or terminate the Quota Implementation Plan (QIP or Plan), as outlined in Article 11, Section 1103 of the QIP.

Any petition to amend or termination the QIP shall include:

- The name and contact information for a representative of the petitioning party.
- A brief description of the proposed changes including a copy of the suggested language to amend the Plan.
- Specific justifications for the proposed changes including legal authorities, relevant analysis, comments, and data supporting the request including any time frames (i.e. ongoing or temporary) for the proposed changes.
- The producer name, producer number under the QIP program, physical dairy ranch address, signature of the producer, and signature date.
- The information for each petitioner may be on a single page (i.e. one petitioner per page) or information for multiple petitioners may be listed on a single page. A brief description of the proposed changes including an exact and complete copy of the language to amend the Plan must be on each signature page.
- The petition shall be submitted in one package to the CDFA Secretary or the QIP Administrator, Donald Shippelhoute, via mail at CDFA-QIP 1220 N Street, Sacramento, CA 95814 or emailed to: donald.shippelhoute@cdfa.ca.gov
- To be considered a complete package, the package shall include all the above listed items.
- Once a petition is submitted to the Department it cannot be amended.
- If the petitioner withdraws the petition, they may resubmit a new petition.

Upon receipt of a petition:

- The Secretary shall notify the petitioner in writing of its receipt of the petition.
- The Secretary shall notify the Producer Review Board of its receipt via email and post the petition on the CDFA website. The QIP Administrator will begin the
verification process to validate submitted signatures. No more signatures will be received after the date the petition is received.

- **Verification Options to be presented at the March 6, 2019 PRB meeting**
  - The QIP Administrator shall verify all dairy ownership using the latest QIP Program producer information available to ensure petitioner information, as submitted, is valid.
  - The QIP Administrator shall tabulate whether the required twenty-five percent (25%) signature threshold has been achieved within ninety calendar days (90) of receipt of the petition. If the response rate to the certification process does not achieve the 25% signature threshold, the petition will be deemed invalid. The petitioner may resubmit another petition.
  - The Secretary shall notify the petitioner, the Producer Review Board (via email) and effected producers of the final tabulation and post the result on the CDFA website. (https://www.cdfa.ca.gov/dairy/)
  - If the 25% threshold is achieved, the Secretary shall schedule a meeting of the Producer Review Board within sixty calendar days (60) of petition certification.
  - The Producer Review Board shall review the petition in one or more meetings, adopt findings, and make a recommendation to the Secretary.
  - The Secretary shall review the PRB recommendation and if the Secretary finds that the Plan no longer tends to effectuate the purpose intended, the petition shall be submitted for referendum in the same manner as provided for its initial approval, per Food and Agriculture Code 62755.
  - The Secretary’s determination shall be reported to the Petitioner, the Producer Review Board, effected producers and posted on the CDFA website within thirty calendar days (30) of the Producer Review Board’s recommendation.
  - Within forty-five (45) days of the Secretary’s determination, CDFA shall initiate the referendum process in the same manner as provided for the QIP’s initial approval.
