**NOTICE OF LOWEST OBSERVED
RETAIL PRICE FOR MILK
For the Month of February 2008**

Listed below are the lowest observed prices which have been cost justified by a retailer for Northern and Southern California for the month indicated. Adequate documentation has been provided to the Department that these retail prices are in compliance with the sales-below-cost statutes.

If you have cost documentation that would justify a lower retail price than listed below, please contact Mary Riley at (916) 341-5988 for information on submitting the documentation for the Department's review. This information is also available on our toll-free phone line:

1-(800)-503-3490 and on our website at www.cdfa.ca.gov/dairy/retail_prices_main.html.

Historic pricing information is also available on our website, at the same site as stated above.
