2020 PROPOSAL SUBMITTAL REQUIREMENTS

Research proposals are currently being accepted by the California Department of Food and Agriculture's (CDFA) Vertebrate Pest Control Program (VPCP) within the Integrated Pest Control Branch. Proposals may focus on research and/or education projects to enhance control measures of vertebrate pests that pose a significant threat to the welfare of state's agricultural economy, infrastructure, environment, and the public. CDFA does not support proprietary product development projects. Proposals that originate from outside of California are considered if the proposal includes relevance to vertebrate pest concerns within California. Proposals that include other sources of funding are strongly encouraged and welcomed.

2020 PROPOSAL SUBMITTAL REQUIREMENTS**PROPOSAL REVIEW AND EVALUATION**

Proposals will be reviewed by scientific and administrative staff who will conduct an initial review of all submitted proposals for completeness. Proposals will be considered for funding twice annually during the Vertebrate Pest Control Research Advisory Committee (VPCRAC) Meetings. The VPCRAC deliberates and discusses the submitted proposals for their scientific, technical and operational merit, and decides in a yes/no vote whether to recommend the proposal for funding. Applicants may also present an oral presentation, not to exceed 15 minutes, to the committee during the meeting in which your proposal is scheduled for review. It is highly recommended that applicants be in attendance at the VPCRAC meetings when your project is considered to answer any questions or concerns that the committee may have.

VPCRAC is a committee comprised of government, industry, academic and public members that are appointed by the CDFA. VPCRAC members are responsible for recommending to the Secretary research priorities for various vertebrate pest control research projects and the amount of the assessment necessary to carry out those research projects. For more information about VPCRAC and past research projects that were funded, visit their website at www.VPCRAC.org.

AWARD NOTIFICATION

You will be notified by CDFA whether your project was selected for funding. If your project is selected for funding, please note that work on the project cannot begin until the grant agreement signed by both parties and executed. Interim and annual reports are required to assess project accomplishments, problems, and plans for the next work period. Grant payments are subject to receipt and acceptance of deliverables as defined in the Scope of Work. Researchers are required to attend a Board meeting in person to review their proposal with the Board.
