**OAL Matter Type: Certificate of Compliance
(C)**

This certificate of compliance was filed by the Department of Food and Agriculture to make permanent its prior emergency action that expanded the quarantine area for the Huanglongbing (HLB) disease by approximately 56 square miles in the La Habra area of Los Angeles and Orange counties in response to the confirmation of HLB on April 11, 2017 (OAL File Nos. 2017-0502-01; 2017-0911-01EE). The expansion of the quarantine area resulted in combining the Hacienda Heights and San Gabriel area quarantine with the Cerritos area quarantine. The effect of this amendment is to provide permanent authority for the state to perform quarantine activities against HLB within this additional area under quarantine.

OAL approves this regulatory action pursuant to section 11349.6(d) of the Government Code.
