

**Join us for a
CEQA public meeting**
on the
**Statewide Plant Pest Prevention and
Management Program EIR**

The California Department of Food and Agriculture is circulating a Draft Program Environmental Impact Report (PEIR) for the Statewide Plant Pest Prevention and Management Program for a 45-day review public review and comment period. The review period will begin on Monday, August 25th, 2014 and end on Wednesday, October 8th, 2014. During this period, CDFA will hold five public meetings: in San Diego, Los Angeles, Tulare, Sacramento and Napa. The purpose of public circulation and the public meetings is to provide agencies and interested individuals with opportunities to comment on or express concerns regarding the contents of the PEIR. The dates, times and locations of the meetings are as follows:
