

PLANT PATHOLOGY SERVICE FEE SCHEDULE

PLANT PATHOLOGY TESTS AND METHODS	PRICE
MORPHOLOGY	
Morphological inspection or identification, per sample	\$17.50/quarter hour
ELISA – PLANT TISSUE	
ELISA processing, 1-45 samples (single PDR)	\$16.50
ELISA per sample	\$13.00
CONVENTIONAL PCR	
Conventional PCR processing, 1-40 samples (single PDR)	\$52.50
Conventional PCR, per sample	\$20.00
NESTED PCR	
Nested PCR processing, 1-40 samples (single PDR)	\$58.50
Nested PCR per sample	\$25.00
RT PCR	
RT PCR processing, 1-40 samples (single PDR)	\$54.50
RT PCR per sample	\$21.00
QPCR	
QPCR processing, 1-40 samples (single PDR)	\$43.50
QPCR, per sample	\$22.00
DNA SEQUENCING	
DNA sequence and analysis, per assembled sequence	\$43.00
IMMUNOSTRIP	
Immunostrip, per sample	\$6.00
CULTURING	
Bacterial culture, per sample	\$48.00
Fungal culture-leaves, stems, and baited tissue, per sample	\$21.00
Fungal culture-roots, per sample	\$32.00
PATHOGENICITY TESTS IN PLANTS	
Pathogenicity tests in plants	\$17.50/quarter hour
Pathogenicity tests in plants, supplies	Actual cost
HLB TESTING	
QPCR 96-well processing, 1-92 samples (single PDR)	\$212.00
QPCR, per sample	\$19.00
TRANSMISSION ELECTRON MICROSCOPY	
TEM, per sample	\$48.00

An Administrative Fee of \$17.50 (covering one quarter hour) will be charged per group of up to 40 samples submitted on a single Pest and Damage Report (PDR) form, to cover the cost of data entry, generating and tracking invoices, and creating laboratory analysis reports. For submissions of more than 40 samples, the Administrative Fee will be charged in quarter-hour increments for each group of up to 40 samples submitted at the same time.
