Electronic Identification (EID) Eartag Application Log for Producers

Name of Producer or Business applying tags: _____

Mailing address of Producer or Business applying tags: _____

Premises Identification Number (PIN): _____ Phone Number: _____ Email Address: _____

This is a template/example log for recordkeeping involved with the application of CDFA-provided EID white tags ("840s") to your cattle or bison. All tagging records must be maintained for five (5) years, but do not need to be submitted to CDFA. However, tagging records should be available to CDFA upon request.

Tags cannot be shared amongst premises, or sold or distributed from the assigned premises. Failure to maintain tagging records or comply by the provisions of the "Electronic Identification Tag Request Form for Producers" agreement may result in the removal from the program.
