To the Market Milk Producer or Handler Addressed:

On December 5, 2007, we sent an assessment notice to reestablish the assessment fees effective January 1, 2008. We recently discovered that there was an error on that notice. The Fee for manufacturing milk (Grade B) was stated as six-tenths of one cent (\$0.006) per hundredweight but should have been one and eight-tenths cents (\$0.018) per hundredweight.

We are enclosing a copy of the Milk Pooling Statement of Accounts for handlers to identify the reestablished Fee.

Sincerely,

David K. Ikari, Chief
Dairy Marketing Branch
