1. Introduction

1.1 SUMMARY

The Association is releasing this solicitation with the intent of awarding a single contract for Carnival Operations. The Association is seeking **a highly qualified professional Carnival Operator for the annual Siskiyou Golden Fair for the years 2027, 2028, and 2029 with two one-year options in 2030 and 2031**. Services include, but are not limited to, providing carnival rides, carnival games, ride and game operators, ticket sales and other ancillary services related to carnival operations.

The Association may, at its sole and absolute discretion, reject any or all proposals, or parts thereof, or reject any item or items in this solicitation, and waive any irregularities or technicalities. The Association may re-advertise this solicitation; postpone or cancel this solicitation, at any time, during the solicitation process. The decision as to whether a contract award shall be made, and to whom, shall be at the sole and absolute discretion of the Association.

1.2 REQUEST FOR PROPOSAL - PRIMARY METHOD

Any contract resulting from this RFP will be awarded to the Bidder(s) whose proposal(s), as determined by the Association, best meet(s) the requirements set forth in this RFP. The Association will utilize the Primary RFP Method, in accordance with the DGS State Contracting Manual (SCM), Volume 1, §5.20 et seq., and Public Contract Code (PCC) §10344. Under this method, proposals will first be reviewed to ensure they meet the format requirements and the minimum standards specified in the RFP. Proposals that meet these requirements will then be evaluated and scored on technical and qualitative factors.

Considerations on the qualitative and technical factors are outlined in the Evaluation, Selection and Scoring Process and Evaluation Phases sections.

The sealed cost proposal for those proposals that meet the minimum score threshold established in the technical evaluation phase shall then be publicly opened and read. All Financial Proposals must be submitted separately from the technical proposal in a sealed envelope for all submissions. Financial Proposals will remain sealed and confidential until the Association's evaluation team has reviewed and deemed the proposal qualified. Only after a proposal has been determined to meet all qualification requirements will the sealed pricing be opened. The contract must be awarded to the lowest-cost responsible Bidder.

The Association may, at its sole and absolute discretion, reject any or all proposals, or parts thereof, or reject any item or items in this RFP, and waive any irregularities or technicalities. The Association may re-advertise this RFP; postpone or cancel this RFP, at any time, during the RFP process. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the Association.

1.3 HISTORY, GOALS, AND GENERAL BACKGROUND

BACKGROUND

The Siskiyou Golden Fair ("Fair") is an annual event held at the end of June at the Siskiyou Golden Fairgrounds. The 4.5-day event attracts approximately 55,000 to 65,000 guests. The fair has been in existence since 1880 and has provided educational and recreational programs and activities for Northern California and Southern Oregon. It endeavors to provide programs designed to provide an educational, family-oriented exposition for the entire marketing area.

The Fair is held at the Siskiyou Golden Fairgrounds, approximately 82-acre indoor/outdoor State-owned facility in Yreka, California. The carnival area is approximately 2.5 acres. The Fair operates

for four and a half (4.5) consecutive days, beginning on a Wednesday and concluding on the Sunday. A first-class carnival for adults, families, and children is an important part of the annual Fair tradition.

The Carnival Operator will serve as an independent partner and must have the capability to operate a fully digital carnival ticketing system, with at least two (2) years of experience using such system in the marketplace. The Carnival Operator may also provide limited food and non-alcoholic beverage concessions and game concessions, subject to Fair approval.

All advance sale, pre-sale, online, and promotional carnival ticketing programs shall be managed, hosted, and coordinated through the Siskiyou Golden Fair. Guests shall not be directed to purchase advance sale, pre-sale, online, or promotional carnival tickets through the Carnival Operator's website, third-party ticketing platform, social media accounts, or any other external sales channel unless expressly approved in writing by Fair Management.

Once the Fair begins, the Carnival Operator shall be responsible for managing on-site carnival ticket sales, ticket booths, wristband sales, ticketing equipment, and related carnival ticketing operations, subject to the Fair's approval, audit rights, and oversight. The Carnival Operator may submit proposed ticketing and promotional concepts for consideration; however, all ticketing, marketing, advertising, public messaging, and promotional programs must receive prior written approval from Fair Management and shall be coordinated through the Siskiyou Golden Fair.

The Carnival Operator shall not create, publish, distribute, boost, sponsor, post, share, announce, or otherwise release any marketing, advertising, promotional, or public facing content related to the Siskiyou Golden Fair or carnival operations without the prior written approval of Fair management. This includes, but is not limited to, social media posts, paid advertisements, press releases, website pages, landing pages, email campaigns, printed flyers, radio/television advertising, influencer partnerships, contests, coupons, giveaways, and discount promotions.

The Carnival Operator may submit proposed promotional ideas, campaign concepts, artwork, ticket offers, and related materials to Fair Management for consideration. However, all final

marketing strategies, messaging, timing, branding, creative direction, public release, and promotion of carnival related offers shall be controlled by Siskiyou Golden Fair. Any approved use of Carnival Operator logos, artwork, marks, links, ticketing platforms, or promotional materials shall be subject to Fair Management approval and must align with the Fair's annual brand, theme, policies, sponsorship obligations, and public communication standards.

The 2027 Fair is June 23rd through June 27th, with similar dates projected for the contracted years.

The contract term shall be for 36 months with two one-year options to renew, at the sole and absolute discretion of the Association. The contract is subject to annual evaluation and certification that the contractor has met all contract requirements. The Association may decide, in its sole and absolute discretion, whether to exercise any option under the contract.

3.2. SPECIAL CIRCUMSTANCES

Any extension of the contract would not be greater than one calendar year.

3.3. BIDDER RESPONSIBILITY

Read the RFP documents very carefully, as the Association is not responsible for errors and omissions on the part of the Bidder. Note, the Scope of Work and Terms and Conditions are located in the Sample Standard Agreement, which can be accessed in the Attachments Section. Also, carefully review all final documents before submission to the Association, as the Committee will not interpret or correct detected errors in a Bidder's calculations. RFP as to the nature, quality, and scope of work to be performed; (ii) the Bidder is capable of performing the type and quality of work identified in the RFP to achieve the Association's objectives; and (iii) the Bidder is capable of meeting the administrative compliance requirements in preparation of the proposal.

5. Bidder cannot subcontract (more than 20%) with any other party, company, and/or business for services provided under this RFP.

3.5. PRESENTATIONS

During the evaluation process, the Evaluation Committee may elect to schedule presentations. Presentations will be conducted virtually via Microsoft Teams only. Only those Bidders deemed responsive will be invited to provide a virtual presentation. **The Association has tentatively identified Thursday, January 14, 2027, to conduct virtual presentations if deemed necessary. All Bidders are asked to keep this date available. No other presentations dates will be provided. Therefore, if a Bidder is unable to attend the presentation on these dates, its proposal may be eliminated from further evaluation or scored negatively.**

The presentation will consist of a short presentation by the Bidder limited to a specified amount of time and the Committee may ask questions related to the Bidder's technical proposal and qualifications. Bidders will not be allowed to ask questions. The presentation must be consistent with the Proposal and may not modify or supplement the written Proposal. Attempts to use the presentation to modify or supplement the written proposal may, in Association's sole discretion, disqualify the Proposal and remove it from any further consideration.

3.6. WRITTEN REQUESTS FOR ADDITIONAL INFORMATION

In the opinion of the 10th DAA, this RFP is complete and without need of explanation. However, if a Bidder has questions, or requires any clarifying or additional information, all inquiries must be submitted **in writing via email to Julie Mercier, CEO (juliem@sisqfair.com)**. All requests must include sufficient information for the 10th DAA to determine whether additional or clarifying information should be provided. Requests that lack adequate information may be denied. Responses from the 10th DAA, if any, will be based solely on the information provided in the inquiry and will be publicly posted on the 10th DAA website for all prospective Bidders to view.

Further, in signing this letter as the authorized representative of the

Additionally, Bidder agrees that if the submitted proposal is not in the required format of the RFP, Bidder's proposal will be deemed non-responsive."

The person's name must be printed clearly above the signature line and signature must be dated.

IMPORTANT: The Bidder must submit this document verbatim. Any modifications, omissions, or failure to sign and date this document will result in the proposal being deemed non-responsive.

2. Bidder's ability to meet the requirements outlined in the *Scope of Work* (See *Attachments*).

4. Compliance with all requirements related to presentations, demonstrations, or additional submissions as outlined in the *Presentations* section of this RFP.

3.9. PROPOSAL SUBMISSION INSTRUCTIONS

Pursuant to the law, no proposal shall be considered which has not been received at the place and prior to the time identified in this proposal.

Assemble three original proposal packages.

One sealed package containing three (3) copies of the *Technical Proposal*
and labeled with the bidder's name, the RFP number, and "Technical Proposal."

One sealed package containing three (3) copies of the *Financial Proposal* bid form
and labeled with the bidder's name, the RFP number, and "Financial Proposal."

Both sealed packages above must be placed in a third package
labeled with the Bidder's name on the outside and addressed to the Association.

All documents contained in the original proposal package must have original signatures and must be signed by a person who is authorized to bind the Bidder.

Place the proposal in a single envelope or package, if possible. If more than one envelope or package is submitted, carefully label each one as instructed below, and mark on the outside of each envelope or package "1 of X", "2 of X", etc.

Mail or arrange for hand delivery of the sealed proposal packages to the Association at its administrative offices, located at 1712 Fairlane Road, Yreka CA 96097. Sealed proposals must be physically received no later than the date and time indicated under Section 1.5 of this RFP. The outside of your proposal package must be labeled with the Bidder's name on the outside and

addressed as follows:

RFP #27-001 – Three-Year Carnival Operations with Two One-Year Options
Julie Mercier, CEO
10th District Agricultural Association
1712 Fairlane Road
Yreka, CA 96097

The proposal package should be prepared in the least expensive method. Expensive bindings, color displays, promotional materials, et cetera, are neither necessary nor desired. Please DO NOT use coil or spiral binding. Bidders are encouraged to concentrate on conformity with RFP instructions, responsiveness to RFP requirements and the clarity and completeness of the proposal's content. Deviations may affect the score of the proposal.

Failure to meet these requirements will result in a non-responsive proposal and proposals received after this date and time will not be considered, and will be returned, unopened. Faxes and emails will not be accepted. The Bidder is solely responsible for ensuring that the complete proposal is received by the Association in accordance with the RFP requirements. The Association shall not be responsible for any delays in mail or by common carriers or by transmission errors or delays or any other mis-delivery. Proposals received after this date and time will not be considered, and will be returned, unopened.

Omissions, inaccuracies or misstatements may be sufficient cause for rejection of a proposal.

3.10. CONTRACT AWARD

It is the Association's intention to award a contract that includes all requirements under this RFP to one Bidder.

The Association reserves the right to require confirmation of information furnished by any Bidder, or for the Bidder to provide additional evidence of qualifications to perform the work. Failure to provide this additional evidence may result in the rejection of the proposal and its removal from further consideration.

The Association reserves the right to reject any or all proposals for any reason, to make and award without any discussion or interviews, to request additional information, and to negotiate any minor details, terms or conditions.

If the proposal is not automatically rejected as described in Section 3.25 – *Grounds for Rejection of Proposal*, then each bidder's proposal will be scored and evaluated as detailed in Section 5 – *Evaluation, Selection & Scoring Process*.

If a contract is awarded, it shall be granted to the most responsible bidder who submits the proposal with the highest final score. Prior to the DAA awarding a contract, the Association shall post a "**Notice of Proposed Award**" at the Administration Office and on the Association website for five (5) business days. In addition, a copy of the **Notice** will be mailed to each bidder. If no protest has been filed by the close of business on the fifth business day, the contract will be awarded.

A contract award is not final until:

- The time for protesting the **Notice of Proposed Award** has expired, and/or;
- Protests filed, if any, have been resolved; and
- If necessary, the proposed award has been approved by the California Department of Food & Agriculture and/or DGS.

3.11. SMALL BUSINESS PREFERENCE

California law allows certified small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract 25% with a certified SB/MB firm(s) to receive a 5% preference on applicable state solicitations. The effect of the preference is to help SBs/MBs be more competitive in the proposal process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computational purposes to determine the winning proposal; the actual proposed amount remains the same.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with the Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting 25% with certified SB/MB (s), you must provide copies of Small Business Certification(s) and a completed Bidder's Declaration with your proposal in order to receive the preference.

CONTRACTOR INSURANCE REQUIREMENTS AT TIME OF CONTRACT EXECUTION

The Association shall not, under any circumstance whatsoever, be liable for any pre-contractual expenses incurred by any Bidder including, but not limited to, expenses related to the preparation of the proposal in response to the RFP, submission of the RFP, negotiations, travel expenses, and any other expenses incurred before the execution of a contract resulting from this solicitation. Bidder shall not include any such expenses as part of the price as proposed in response to this RFP.

3.15. SIGNATURE

The Proposal Forms, Certifications, Letters, and all Documents must be signed with the Bidder's name as indicated. A Proposal by a corporation must be signed by a duly authorized officer, employee or agent.

3.16. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this RFP and it is found by the Association to meet the requirements of this RFP, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis may be performed by or on behalf of the Association of the Financial Proposal in order to determine if the proposal is fair and reasonable. The Bidder expressly agrees to such analysis by submitting a proposal in response to

this RFP.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal. It is conducted by the Association to form an opinion to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operational effort, and whether costs are allowable, allocable and reasonable. Any such analyses, including the results from that analysis, shall not obligate the Association to accept such a single proposal; and the Association may reject such proposal in its sole and absolute discretion.

3.17. TAXES

Financial Proposals are subject to state and local sales taxes. However, the Association is exempt from the payment of federal excise taxes.

3.18. NON-ASSIGNMENT

Any attempt by the Bidder, including any of Bidder's subcontractors, to assign, subcontract, or transfer all or any part of the agreement resulting from this RFP in any manner whatsoever shall be void and unenforceable without the Association's prior written consent; which consent may be granted or withheld in the Association's sole and absolute discretion. Assignment shall include a sale or any transfer of more than 50% of any corporate stock. Any such consent shall not relieve the Bidder from full and direct responsibility for all services performed prior to the date of assigning, subcontracting, or transferring this agreement.

3.19. LOSS LEADER

It is unlawful for any person engaged in business within the State of California to sell or use any article or product as a "loss leader" as defined in Section 17030 of the California Business and Professions Code.

3.20. UNANTICIPATED TASKS, TIME OR DELIVERABLES

In the event of unanticipated deliverables, additional time or additional work must be performed that is not identified in this RFP, but in the Association's opinion is necessary to successfully accomplish the Scope of Work or technical specifications, the Association will initiate a contract amendment to add time, deliverables or tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rates will apply to any additional work.

3.21. CONFLICT OF INTEREST

This RFP process shall be governed by, and any resulting agreement executed by the Association with the successful Bidder will include the following provision:

> *"Contractor will comply with the requirements of California Government Code Section 1090 et seq. and any and all other ethics laws applicable to the performance of this Agreement. The Contractor may not perform services for any other person or entity that, pursuant to any applicable law or regulation, would result in a conflict of interest or would otherwise be prohibited with respect to the Contractor's obligations pursuant to this Agreement. The Contractor agrees to cooperate fully with the Association and to provide any necessary and appropriate information requested by the Association or any authorized representative concerning potential conflicts of interest or prohibitions concerning the Contractor's obligations pursuant to this Agreement. Contractor may not employ*

any 10th DAA director, official, officer or employee in the performance of this Agreement, nor may any director, official, officer or employee of the Association have any financial interest in this Agreement that would violate California Government Code Section 1090, et seq. Contractor acknowledges and understands that, if this Agreement is made in violation of Government Code Section 1090, et seq., this entire Agreement is void and Contractor will not be entitled to any compensation for Contractor's performance of this Agreement, including reimbursement of expenses, and Contractor will be required to reimburse the Association for any sums paid to the Contractor under this Agreement. Contractor understands that, in addition to the foregoing, penalties for violating Government Code Section 1090 may include criminal prosecution and disqualification from holding public office in the State of California. Any violation by the Contractor of the requirements of this provision will constitute a material breach of this Agreement, and the Association reserves all its rights and remedies at law and in equity concerning any such violations."

Bidders are required to document in writing to the Contact Person identified on the cover of this RFP any known, suspected, or potential conflict of interest with a 10th DAA director, official, officer or employee and or their immediate family, whether contractual, ownership (including but not limited to any ownership interest in any corporation, partnership, association or other legal entity, or any stock option or other rights pertaining to any such entity), financial or employment related, in or involving this procurement or resulting agreement. See Certificate re California Government Code 1090 and Disclosure of Interests form included in this RFP. If any such interest arises at any time during the solicitation period, a full and complete written disclosure should be made immediately to the Association.

3.22. RESULTING CONTRACT

If an award is made following the RFP process, any agreement between the successful Bidder(s) and Association is not valid or enforceable unless and until that agreement is approved by the 10th DAA Board of Directors at a public meeting. The resulting agreement between Association and the successful Bidder(s) will include the following documents:

A. The attached sample Standard Agreement including the Scope of Work, Terms and Conditions, and Insurance Requirements

B. RFP #27-001 General Provisions

C. Addenda to the RFP #27-001 (incorporated by reference)

D. Association's response to written questions and clarifications to the RFP #27-001 (incorporated by reference)

A Bidder's unwillingness or inability to agree to the terms and conditions herein or contained in any exhibit identified in this RFP may cause Association to deem a Bidder non-responsible and ineligible for an award.

In general, Association will not accept alterations to the General Terms and Conditions (GTC), Special Terms and Conditions, the Scope of Work or alternate Agreement/exhibit language submitted by a Bidder. The Association will consider a proposal containing such provisions "a counter proposal" and may reject such a proposal.

3.23. ERRORS

If a Bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFP, the

Bidder shall immediately notify the Association of such error in writing, addressed to the Contact Person listed on the cover page of this RFP, and request modification or clarification of this document.

Modifications and clarifications by the Association, if any, will be made in writing by way of an addendum issued pursuant to "Addenda" paragraph below. Clarifications, if issued, will be given by written notice to all parties to whom the Association had provided notice of the RFP and to persons or entities who have requested to be given notice of any modifications or notices.

3.24. ADDENDA

If necessary, the Association will modify the RFP prior to the date set for submission of final proposals, by issuance of a written addendum to all parties who have been furnished notice of the RFP for proposal purposes.

All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to this RFP

3.25. GROUNDS FOR REJECTION OF PROPOSAL

The use of “shall,” “must,” or “will” indicates a mandatory requirements or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a desirable attribute or condition but are permissive in nature and may affect the score the proposal receives.

A proposal shall be rejected if:

- Untimely. If it is received at any time after the exact time and date set for receipt of proposals, as stated in Section 1.5. The Bidder is solely responsible for ensuring that the full proposal package is received by the Association in accordance with the solicitation requirements, prior to the date, time, and place specified. The Association shall not be responsible for any delays in mail or by common carriers or by transmission errors or delays or mis-delivery.
- Multiple Proposals Submitted. If the Bidder has submitted multiple proposals in response to this RFP, without formally withdrawing other proposals.
- Missing or unsigned Cover Letter. If the Bidder fails to submit a signed cover letter on the letterhead of the Bidder with the statement contained in Section 3.8, *Format and Content Requirements*, verbatim.
- Timed Expiration to Proposal. Proposal cannot be “timed” to expire on a specific date. For example, a statement similar to “this proposal and cost estimate are valid for sixty (60) days,” is considered conditional and non-responsive to the RFP and shall be rejected.
- Contractor Insurance Documentation Not Submitted. If Contractor does not submit its own insurance documents and information.
- Requires 10th DAA to Make Purchases. If a Proposal requires the Association to purchase software, equipment, unused devices, any aspect of the digital ticketing and redemption system or carnival game operation, or pay any additional fees or costs not specifically identified in this RFP.

A proposal may be rejected or the score of a proposal may be affected (at the Association’s sole and absolute discretion), if:

- It is incomplete, or if it contains any alterations of form or other irregularities of any kind. The

Association may, at its sole and absolute discretion, reject any proposal, all proposals, or part(s) thereof; re-advertise this RFP; postpone or cancel, at any time, this RFP process; reject any item(s), requirement(s), term(s) or condition(s); or waive any irregularities in a proposal or this RFP.

- It contains false or misleading statements or references which do not support attributes or conditions contended by the Bidder. (The Proposal shall be rejected if the Association determines, in its sole and absolute discretion, that the information was intended to mislead the Association in its evaluation of the proposal and the attribute, condition, or capability of meeting the requirements of this RFP.)
- No Addendum Acknowledgement (when applicable). If the Bidder does not provide Addendum Acknowledgement. Acknowledgment of receipt of all addenda may be required. Not applicable if no addenda released for this RFP.

3.26. STATE'S RIGHT TO REJECT ANY OR ALL PROPOSALS

It is the policy of the Association not to solicit proposals unless there is a bona fide intention to award a contract. However, the Association may, at its sole and absolute discretion, reject any or all proposals, or parts thereof, or reject any item or items in this RFP, and waive any irregularities or technicalities. The Association may re-advertise this RFP; postpone or cancel this RFP, at any time, during the RFP process. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the Association.

3.27. PROTESTS

Only Bidders may file a protest against the awarding of the contract.

The protest must be filed in writing with the Association's Office AND with the Department of General Services (DGS), and submitted by regular mail, email, courier or personal delivery, as specified below:

Department of General Services
Office of Legal Services

RFP #27-002
Email: juliem@sisqfair.com

The protest must be received by DGS and the Association no later than 4:00 pm on the **fifth business day** after Notice of Proposed Award is posted. For purposes of this section, "business day" shall mean any day that the Association's and DGS' offices are open to the public to conduct business. Requests for an extension of time outside this timeframe will not be considered. The failure to timely file a protest shall constitute an irrevocable waiver of the Bidder's right to protest. Upon the expiration of this protest period, if no protest has been filed, the contract may be awarded.

The initial protest letter must include the name, address, and telephone number of the protestant and the person representing the protesting party, if any, and must be signed by the protestant or the protestant's representative. The initial protest letter may, but is not required to, contain the information described in the following Paragraph.

IN ADDITION, within **five (5) calendar days** after filing the initial protest letter, the protestant shall

file with the Association's Office and DGS Legal Office a fully detailed and complete written statement specifying the grounds for the protest, including without limitation, all facts, supporting documentation, legal authority and arguments in support of the bid protest. Any grounds not raised in this written statement will be deemed waived by the protesting party.

PLEASE NOTE: The procedures and time limits set forth in this section are mandatory. Failure to file with the Association and DGS Legal Office (i) notice of protest by the conclusion of the fifth business day after Notice of Proposed Award has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the notice of intent to protest stating grounds for the protest will result in the protest being deemed untimely and the grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, §10345.

3.28. DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP will become the property of the Association.

All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the Evaluation Committee's scoring process and announcement of a Notice of Proposed Award, or cancellation of the RFP.

If an individual or entity requests copies of these documents, the Association will assess a fee to cover duplicating costs. Documents may be returned only at the Association's option and at the Bidder's expense. One original and one (1) copy of each Bidder's proposal shall be retained for official Association files.

3.29. CONFIDENTIALITY OF PROPOSALS

The Association will hold the contents of all proposals in confidence until issuance of the Notice of Proposed Award; once issued and posted, no proposal will be treated as confidential. Proposals submitted are not to be copyrighted.

3.30. MODIFICATION OR WITHDRAWAL OF PROPOSALS

Any proposal which is received by the Association before the time and date set for receipt of proposals may be withdrawn and modified by written requests of the bidder. However, in order to be considered, the modified proposal must be received by the time and date set for receipt of proposals, and any prior proposals must be formally withdrawn.

A Bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals, but the Bidder may request in writing that the Association withdraw the Proposal from further contention. A bid cannot be "timed" to expire on a specific date. For example, a statement similar to "the proposal and the cost estimates are valid for 60 days" is non- responsive to the RFP.

3.31. EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. By submitting a bid or proposal, Bidder represents that it is not a target of Economic Sanctions. Should the Association determine Bidder is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Bidder's proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the Association.

4. Scope of Work (Exhibit A)

This part describes the work to be performed by the successful bidder who is awarded this contract, and herein, contains terms and conditions which shall be deemed incorporated into and will become part of any contract award pursuant to this RFP. All terms and conditions are fixed and negotiable.

The score may be affected for proposals that do not clearly demonstrate that the proposer owns and operates a minimum of 80% of the rides. A maximum of 20% of rides and all games and concessions may be "booked in" from outside contractors, as long as they meet the minimum qualifications for insurance and indemnification as well.

No liquidated damages will be assessed if the failure to operate is the result of a major power outage or act of God, or if such failure to operate is within the Association's consent. The same daily fee shall apply should the Contractor not remove equipment, supplies, and any element off property after the five (5) day removal deadline has passed. In addition, the fees shall apply if Contractor exceeds the maximum number of food stands or games.

Each proposal shall be evaluated for ability to best meet the Association's needs as described in this RFP. This section describes the process that the Selection Committee will follow when evaluating and scoring proposals and awarding the contract, if any is awarded, and contains the exact scoring criteria to be used.

During the evaluation and selection process, the Selection Committee may hear presentations. Presentations are for clarification purposes only. The Bidder will not be allowed to ask questions concerning other proposals and may only respond to clarification questions from the Selection Committee. Proposals cannot be amended by the Bidder after the time and date designated for receipt.

5.1. EVALUATION AND SELECTION PROCESS

A. Following the deadline for receipt of proposals, as stated in the RFP schedule, each proposal will be examined to determine if:

   1. The proposal was received by the deadline time and date;

   2. The RFP's physical format and content requirements were met as determined by the Association in its sole and absolute discretion.

This is not a public review.

B. Proposals that meet the submittal format requirements, as stated in the previous paragraph "A," will be deemed responsive and submitted to the Selection Committee for evaluation in accordance with the criteria outlined in *Evaluation Criteria.*

Proposals that do not present the information in the format required may be rejected as non-responsive or their score may be affected. Proposals that do not meet the mandatory requirements identified in the RFP will be rejected.

This is not a public review.

C. The Association reserves the right to verify any known relevant experience and or references disclosed in the proposal or to ascertain the accuracy of information presented. Misinformation or inaccuracies are grounds for disqualification or receipt of a lower score. The Bidder shall be given the opportunity to respond to unfavorable information which has been acquired from references other than those provided by the Bidder.

D. The Evaluation Process is broken into two phases. In the first phase, the Selection Committee will evaluate each responsive proposal and assign points to the technical proposal based on the criteria outlined in *Evaluation Criteria*. There is a minimum score requirement to move on to the second phase. Refer to the Evaluation Criteria section for score details.

E. Review of the technical proposal is conducted by the Selection Committee without influence of price.

This is not a public review.

F. The Selection Committee may schedule virtual presentation(s) with responsive Bidders. Length of time for presentations to be determined. Bidders are encouraged to include staff and subcontractors that Bidder considers important to the presentation. The presentation must be consistent with the Proposal and it may not in any way modify or add to the written Proposal. Attempts to use the presentation to change or modify the proposal will disqualify the Proposal and remove it from any further consideration. Bidders are not allowed to ask any questions.

G. In order to obtain the average technical score for each Bidder, the total points of each reviewer will be added up for each Bidder and the result divided by the number of people on the Selection Committee.

H. In the second phase of the evaluation, "Financial Proposals" of those proposals that met the phase one minimum score requirement are unsealed and evaluated.

I. Bidders claiming Small Business preferences will be granted a preference of five percent (5%) for the incentive program in which they qualify, when applicable.

J. Final selection will be made to the highest revenue generating responsible proposal achieving a passing score, after application of preferences.

K. In the event of a tie on the highest revenue generating proposals between two Bidders, the tie will be broken by the toss of a coin by the Selection Committee representative, or designee, in the presence of any authorized representatives of the Bidders.

L. All Bidders will be notified of the results. Notice of Proposed Award will be posted for five (5) business days at the Association's Administrative Offices.

5.2. SCORING PROCESS - CRITERIA & COMPOSITION, DETERMINATION OF POINT TOTALS

Phase One of the evaluation consists of scoring the "Technical Proposal" (relative experience and qualifications, staffing and management, technical approach, work plan/narrative), which has a maximum value of 100 points. In order to pass Phase One and have the Pricing Proposal opened and evaluated, the minimum technical score the Bidder must earn is 60 points.

5.3. TECHNICAL EVALUATION RATING STANDARDS

Based on the information provided by the Bidder in the "Technical Proposal," the Committee will rate each Proposal using the standards described in the following table. These standards, and their associated percentage ratings, will be translated into the Bidder's point score, as described above, for the particular component of the proposal being evaluated.

Evaluators will score the Proposals based on percentages for levels of quality. The percentages will then be translated to points based upon the weight of the particular factor. For example, if a Bidder, under category x, which has a maximum 25 points, is determined to be "Excellent 90 %" it will receive 22.5 points (0.9 x 25). If another Bidder in the same category is "Fair 60%" it will receive 15 points (0.6 x 25).

A. RATING STANDARDS

1. Non-Compliant (0%) = Fails to address the component or the Bidder does not describe any experience related to the component.

2. Poor (1-40%) = Minimally addresses the section, but one or more major considerations of the component are not addressed, or so limited that it results in a *low degree of*

confidence in the Bidder's response or proposed solution.

3. Fair (41-60%) = Adequately addresses the section, but minor considerations may not be addressed. *Acceptable degree of confidence* in the Bidder's response or proposed solution.
4. Good (61-80%) = Fully addresses the section and provides a good quality solution. *Good degree of confidence* in the Bidder's response or proposed solution.
5. Excellent (81-90%) = All considerations of the section are addressed with a *high degree of confidence* in the Bidder's response or proposed solution.
6. Outstanding (91-100%) = All considerations of the section are addressed with the *highest degree of confidence* in the Bidder's response or proposed solution. The response exceeds the requirements in providing a superior experience, a creative approach or an exceptional solution.

6. Evaluation Criteria

The following describes the Technical Proposal evaluation criteria for scoring and composition that will be used to determine point values. Based upon the information/composition provided in the "Technical Proposal" a point value will be determined by the Selection Committee for each category described below. The Selection Committee will utilize percentage ratings that will then be translated into the Bidder's point score for the particular component of the proposal being evaluated.

The contract awarded pursuant to this RFP will also contain the GTC 225 Standard Terms and Agreement, Vendor Rules and Regulations, and Insurance Requirements which are incorporated into and made a part of the contract. All terms and conditions are fixed and negotiable.

BIDDER DECLARATION Instructions

All prime bidders (the firm submitting the bid) must complete the Bidder Declaration.

1.a. Identify all current certifications issued by the State of California. If the prime bidder has no California certification(s), check the line labeled "None" and proceed to Item #2. If the prime bidder possesses one or more of the following certifications, enter the applicable certification(s) on the line:

CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM REQUIREMENTS

(Revision Date 1-2022)

PLEASE READ THE REQUIREMENTS AND INSTRUCTIONS CAREFULLY BEFORE YOU BEGIN.

AUTHORITY

The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.61 et seq.

DVBE PARTICIPATION

The **minimum** percentage of DVBE participation is **3%** for this solicitation *unless* another percentage is specified in the solicitation, or the solicitation is exempt from DVBE participation.

DVBE INCENTIVE

An incentive will be given to bidders who provide DVBE participation, *unless* stated elsewhere in the solicitation the DVBE Incentive has been exempted.

INTRODUCTION

The bidder must complete the identified form(s) and fully document that the mandatory minimum percent of DVBE participation will be met in order to comply with this solicitation's DVBE program requirement or the bid may be considered non-responsive.

Information submitted by the Bidder to comply with this solicitation's DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by 2 CCR §1896.91. Contractors found to be in violation of these provisions may be subject to suspension from doing business with the State of California, contract termination, civil penalties, and loss of State certifications.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified Disabled Veteran Business Enterprises (hereafter called "DVBE") who will perform a commercially useful function (CUF) shall be used to satisfy the DVBE requirements. The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of 2 CCR §1896.81, is certified in accordance with 2 CCR §1896.84, and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function as required in MVC §999(B). A certification signed under penalty perjury that the work performed by DVBE subcontractors serves a CUF is required from the bidder per MVC §999.10(a)(3). Bidders must also verify each DVBE subcontractor's certification status with OSDS to ensure DVBE participation eligibility prior to submitting bids. A DVBE that is not certified at the time of award or does not meet and maintain certification cannot count towards an awarding department's 3-percent goal. {MVC §999.5(c)}

COMMERCIALLY USEFUL FUNCTION DEFINITION

As defined in MVC §999(B), a person or an entity is deemed to perform a "commercially useful function" if a person or entity does all of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a "commercially useful function" if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

DVBE SUBSTITUTION

Bidders must use the DVBE subcontractors or suppliers proposed in the bid. Any substitutions must be requested in writing to the awarding department and approved by both the awarding department and OSDS in writing prior to the commencement of any work by the proposed DVBE. The substitution must be to perform the same work and shall maintain the minimum level of DVBE participation stated in original bid. {MVC §999.5(g)}

DVBE SUBCONTRACTOR REPORTING

Bidders awarded a contract with a commitment to use DVBE subcontractors must certify, upon completion of contract, that all payments have been made to the DVBE subcontractors by submitting the Prime Contractor's - DVBE Subcontracting Report (STD 817). For such contracts awarded on or after January 1, 2021, the department will withhold $10,000 from the final payment, or the full payment if the final payment is less than $10,000 from prime contractors, until the complete and accurate STD 817 is received. Failure to submit this certification after given the opportunity to cure, will result in the department permanently deducting $10,000 from the final payment or the full payment if less than $10,000. {MVC §999.7}

Prime contractor shall provide proof of payments made to DVBE subcontractors at the request of the department. The department shall keep all information provided by the prime contractor regarding the DVBE program requirements in the procurement file for six years. {MVC §999.55}

Failure to submit signed confirmations with the bid may render the bid non-responsive. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.
e. DGS PD 843 DVBE Declarations form for all DVBE participants (prime or sub).

DVBE BID INCENTIVE

Unless stated elsewhere in the solicitation that the DVBE incentive has been waived, in accordance with Section 999.5(a) of the Military and Veterans Code an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration DGS PD-05-105, (located elsewhere within the solicitation document) and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or $100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed $100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.
