F. SMALL BUSINESS PREFERENCE

State law allows certified small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB's/MBs be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder, the actual bid amount.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), see PART VI of this RFP for instructions regarding what to submit with your proposal in order to receive the preference.

Certification Application

To apply, access their online Small Business Certification Application or to receive your hard-copy form by mail, e-mail OSDSHelp@dgs.ca.gov or call (916) 375-4940.

Your complete certification application package must be received by the OSDS no later than 5 p.m. on the bid due date. Your certification effective date will be the date the application is properly received and deemed complete by the OSDS. Incomplete application submittals will delay your certification status and may result in the loss of your 5 percent preference eligibility. For more information, email osdchelp@dgs.ca.gov or call (916) 375-4940.

You may mail, hand deliver or express mail your package to:

SECTION IV

RULES OF GOVERNING COMPETITION & TECHNICAL EVALUATION

A. RFP REQUIREMENTS AND CONDITIONS

A. ERRORS

If a competitor discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, it shall immediately notify the DAA of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document. Modifications, if any, will be made in writing by the way of an addendum issued pursuant to paragraph 2 below. Clarifications, if issued, will be given in written notice to all parties to whom the DAA has sent notice of the RFP and to people or entity who have requested to be given notice of any modification or notices.

B. ADDENDUM

If necessary, the DAA will modify the RFP prior to the date set for submission of final proposals, by issuance of an addendum to all parties who have been furnished notice of the RFP for bidding purposes. All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP.

C. DEFINITIONS

The use of “shall”, “must” or “will” indicates a mandatory requirement or condition in the RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a desirable attribute or condition but are permissive in nature and may affect the score proposal receives.

D. GROUNDS FOR REJECTION

A proposal shall be rejected if:

- It is received at any time after the exact time and date set for receipt of bids as stated in Section II, paragraphs C and E.
- It is not prepared in accordance with required proposal format or information is not submitted in the format required by this RFP.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal may be rejected if:

- It contains false or misleading statements or references which do not support attributes or conditions contended by the bidder. (The proposal should be rejected if in the opinion of the DAA, such information was intended to mislead the DAA in its evaluation of the proposal and attribute, condition or capability of requirement to this RFP.)
- It is unsigned.

E. RIGHTS TO REJECT ANY AND ALL BIDS

It is the policy of the DAA not to solicit proposals unless there is a bona fide intention to award a contract. However, the DAA reserves the right to reject any or all proposals or to cancel the RFP at any time during the process.

F. PROTESTS

A bidder may file a protest against the awarding of the contract. The protest must be filed with the Department of General Services (DGS), Legal Office, 707 Third Street, Suite 7-330, MS-102, West Sacramento, California 95605, **and** with the DAA. The protest must be received prior to the expiration of five (5) working days from the notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth working day after notice of proposed award was posted in a public place at the DAA's Administration Office

IN ADDITION, within Five (5) working days after filing a protest, the protesting bidder shall file with the DAA and DGS Legal Office, a fully detailed and complete written statement specifying the ground for the protest.

PLEASE NOTE: Failure to file (1) notice of protest by the conclusion of the fifth working day after the notice of intention to award a contract has been posted and (2) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds will result in the protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code Section 10345.

B. OTHER INFORMATION

1. DISPOSITION OF PROPOSALS

All materials submitted in response to RFP will become the property of the DAA. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the DAA will assess a fee to cover duplicating costs. Documents may be returned only at the DAA's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official DAA files.

2. CONFIDENTIALITY OF PROPOSALS

The DAA will hold the contents of all proposals in confidence until issuance of the **Notice of Proposed Award**; once issued and posted, no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality.

The materials may be used by the DAA to justify the awarding or not awarding of a contract if a protest is filed. The DAA will not be liable for inadvertently releasing confidential materials although the DAA will use the best efforts to prevent the release of said material.

3. MODIFICATION OR WITHDRAWAL OF PROPOSALS

Any proposal which is received by the DAA before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, to be considered, the modified proposal must be received by the time and date set for receipt of proposals in Part II.

A bidder cannot withdraw or modify a proposal after the due date and time for proposals and further a bid cannot be “timed” to expire on a specified date. For example, a statement like “This proposal and the cost estimate are valid for 60 days” is non-responsive to the RFP.
