PART II

GENERAL INFORMATION

A. REQUEST FOR PROPOSALS (RFP)

The Board of Directors of the 29th District Agricultural Association, Mother Lode Fair, in releasing this RFP, intends to award a contract for the purpose of providing security services for the Mother Lode Fair for one year (2025) with four one-year options (2026 through 2029). Bidder must provide all security services for Main Fair and Livestock Department for the annual Fair.

The options are to be exercised independently and at the sole discretion of the DAA. The DAA may terminate this contract for any release upon thirty (30) days prior written notice to the Contractor. In the event of such termination, the DAA shall only pay for services rendered prior to the effective date of termination. In no event shall the DAA be liable to the Contractor for any lost profits or consequential damages.

B. BIDDER RESPONSIBILITY

Bidders are encouraged to read the documents thoroughly. The DAA will not be responsible for errors and omissions on the part of the bidder. It is recommended that each bidder carefully review the proposal to be submitted in response to the RFP. The DAA, the Scoring Committee, and other individuals reviewing proposals on behalf of the DAA will not make interpretations or correct any errors in calculations.

All costs associated with the bidder completing and submitting a proposal are the sole responsibility of the bidder.

C. DELIVERY OF PROPOSALS

Proposals must be physically received prior to the closing times and at the place stated below, in the format specified below and as more particularly described in Part VI, Section B "Proposal Format & Content." Failure to submit your proposal in a timely manner shall result in an automatic rejection. Failure to meet any of the below requirements or any of those identified in Part III, Section A, Paragraph 4 "Grounds for Rejection of the Proposal" may result in a rejection, or a reduction in points during the scoring process. Please see Part III, Section A, Paragraph 4 for more detail regarding automatic and discretionary rejections. ***Unless otherwise stated, faxes are unacceptable.***

Proposals must meet the following format requirements to be deemed responsive for DAA consideration:

- One sealed package containing three (3) copies of the technical proposal and labeled with the bidder's name, the RFP number, and labeled "**Technical Proposal, Tier 1**" (for additional details, see Part VI, B. 1).

- One sealed package containing three (3) copies of the financial proposal bid form and labeled “**Financial Proposal Bid Form, Tier 2**” (for additional details, see Part VI, B. 2).
- Both sealed packages must be placed in a third package with the bidder’s name on the outside, the RFP number, and addressed as follows:

SONORA, CA 95370
(209) 532-7428**

D. CONTRACT AWARD

If the proposal is not automatically rejected as described in Part II, Section C, General Information, then each bidder’s technical proposal is evaluated and scored by the Committee who utilize the score sheet in Part V, “Evaluation, Selection and Scoring Process.” Proposals scoring the required minimum number of points or more will be considered “passing” and will progress to the second tier. Subsequently, the “Financial Proposal Bid Form” accompanying all passing technical proposals will be opened and Small Business Preference given where applicable.

If a contract is awarded, it shall be granted to the passing responsible bidder who submits the proposal with the lowest financial proposal as described in Part V, “Evaluation, Selection and Scoring Process.” Prior to the DAA awarding a contract, the DAA shall post a “**Notice of Proposed Award**” at the Administration Office for five (5) working days. In addition, a copy of the notice will be mailed to each bidder.

Upon the expiration of the five-day posting period (3:00 PM on the fifth working day), if no protest has been filed, the contract will be awarded. If a protest is filed prior to the contract award, the contract shall not be awarded until the protest has been withdrawn by the bidder or rejected by the Department of General Services. In the event a protest is filed, it is understood the non-prevailing party will be responsible for reasonable attorney fees and costs incurred by the Mother Lode Fair.

F. SMALL BUSINESS PREFERENCE

State law allows *certified* small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) for at least 25% of the net bid price, to receive a 5% bidding preference on applicable state *solicitations*. The effect of the preference is to help SB/MB be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder; the actual bid amount remains the same.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with the Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB, list the small businesses you commit to subcontract with for a commercially useful function in the performance of the contract. The list of subcontractors shall include:

Name
Address
Phone Number
Description of work to be performed
Dollar amount or percentage per subcontractor

Also include the subcontractor's certification or indicate if application(s) are on file with the OSDS.

If you are a Certified Small Business, you must include a copy of your certificate with your bid package in order to be eligible for the 5% preference.

Certification Application

To apply, access the online Small Business Certification Application (STD. 813), or to receive a hard-copy form by mail, e-mail osdchelp@dgs.ca.gov or call (800) 559-5529 or (916) 375-4940.

A **complete** certification application package must be received by the OSDS no later than 5 P.M. of the bid due date. The certification effective date will be the date the application is properly received and deemed **complete** by the OSDS. Incomplete application submittals will delay your certification status and may result in the loss of your 5% preference eligibility. For more information, e-mail osdchelp@dgs.ca.gov or call (916) 375-4940.

You may mail, hand-deliver or express-mail your package:

Office of Small Business and DVBE Services (OSDS)
ATTN: BDD Unit
707 3rd Street, 1st Floor, Room 1-400
West Sacramento, CA 95605

G. BIDDER/CONTRACTOR STATUS FORM

All bidders must complete, sign and submit the form in response to the RFP. Failure to comply will deem the bidder non-responsive. The DAA reserves the right to verify the information on the “**Bidder/Contractor Status Form**” at the time of the bid. If the bidder is a corporation, the form must include the title of the person signing, i.e., corporate officer status, and a copy of the corporate resolution authorizing the signing of the form must be attached. If a partnership, the signing partner must indicate whether a limited or general partner.

H. INSURANCE

The bidder must show proof (a photocopy of the original) of current commercial general liability insurance at the \$1,000,000 level. Additionally, the bidder awarded the contract shall provide a signed original Certificate of Insurance 30 days prior to the start of the contract period, covering those days of the contract period. This again shall include \$1,000,000 in commercial general liability coverage per occurrence for bodily injury and property damage combined. Responding to this RFP without current proof of insurance will automatically disqualify the bidder.

The Certificate of Insurance supplied 30 days prior to the contract period must include: ('Exhibit A')

- Evidence of authorized insurance coverage for the term of the contract which includes set up and tear down;
- A 30-day cancellation notice;
- The Fairgrounds with address shown as certificate holder, and the additional insured paragraph in the following exact words:

“That the State of California, the California Fair Services Authority, the District Agricultural Association, County Fair, the County in which the County Fair is located, Lessor/Sublessor if fair site is leased/subleased, Citrus Fruit Fair, California Exposition and State Fair, or Entities (public or nonprofit) operating California designated agricultural fairs, their directors, officers, agents, servants, and employees are made additional insured, but only insofar as the operations under this contract are concerned.”

Proof of Workers Compensation Insurance Coverage and Automobile Liability Insurance Coverage (per accident basis with limits of not less than One (1) Million Combined Single Limits) are also required at the time the bidder provides their RFP documentation.

I. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM REQUIREMENTS

Note to bidders: The DVBE contracting option for this solicitation is stated below. To avoid having your bid deemed non-responsive, please carefully review the instructions provided.

The DAA elects to include the DVBE Program Requirements for this solicitation but not the incentive. **Bidders failing to meet DVBE requirements will be considered non-responsive and ineligible for contract award.**

Bidders must complete and return the attached:
Bidder Declaration, GSPS-05-105 (08/09) and
DVBE Declarations, STD. 843 (9/19), as applicable.

The enclosed DVBE Attachments are made part of this RFP. Bidders must complete and return the attached **Bidder Declaration, GSPS-05-105 (08/09)** and **DVBE Declarations, STD. 843 (9/19)** as applicable. See also attached **Exhibit “C” California Disabled Veterans Business Enterprise Requirements** for information on how to comply.

PART III

RULES GOVERNING COMPETITION & TECHNICAL EVALUATION

A. RFP REQUIREMENTS AND CONDITIONS

1. Errors

If a bidder discovers any ambiguity, conflict, discrepancy, omissions, or other errors in this RFP, he shall immediately notify the DAA of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document.

Modifications by the DAA, if any, will be made in writing by way of an addendum issued pursuant to Paragraph 2 below.

Clarifications by the DAA, if issued, will be given by written notice to all parties to whom the DAA had sent notice of the RFP and to persons or entities who have requested to be given notice of any modification or notices.

2. Addenda

If necessary, the DAA will modify the RFP prior to the date set for submission of final proposals, by issuance of an addendum to all parties who have been furnished the RFP for bidding purposes. **All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP.**

3. Definitions

The use of “shall”, “must” or “will” indicates a **mandatory** requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a **desirable** attribute or condition, but are permissive in nature and may affect the score the proposal receives.

4. Grounds for Rejection of the Proposal

A proposal **shall** be rejected if:

- It is received any time after the exact time and date set for receipt of bids as stated in Part II.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal **may** be rejected if:

- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.

- It contains false or misleading statements or references which do not support attributes or conditions contended by the bidder. (The proposal *shall* be rejected if, in the opinion of the DAA, such information was intended to mislead the DAA in its evaluation of the proposal and the attribute, condition or capability of requirement of this RFP.)
- It is unsigned.

5. Right to Reject Any or All Proposals

It is the policy of the DAA not to solicit proposals unless there is a bona fide intention to award a contract. However, the DAA reserves the right to reject any or all proposals or to cancel the RFP at any time during the process.

6. Protests

A bidder may file a protest against the awarding of the contract. The protest must be filed with both the District and the Department of General Services (DGS) at:

- Department of General Services (DGS)
Office of Legal Services
Attention: Protest Coordinator
707 Third Street, West Sacramento, California 95605
P.O. Box 989053, West Sacramento, California 95798
Email: OLSProtests@dgs.ca.gov
- 29th District Agricultural Association
Attn: Kim Helmbold, CEO
220 Southgate Drive
Sonora, California 95370
Email: ceo@mlfair.com

The protest **must** be received prior to the expiration of five working days from notice of the proposed award being posted and, in no event, later than 5:00 PM on the fifth working day after Notice of Proposed Award was posted in a public place at the DAA's Administration Office. Upon the expiration of the posting period, if no protest is filed, the contract is awarded.

IN ADDITION, within five (5) calendar days after filing the protest, the protesting bidder shall file with the DAA and DGS Legal Office a fully detailed and complete written statement specifying the grounds for the protest which must be true and valid.

PLEASE NOTE: Failure to file (i) notice of protest by the conclusion of the fifth working day after notice of intention to award a contract has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protester's protest being

deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Disposition of Proposals

All materials submitted in response to this RFP will become the property of the DAA. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the bidding process and upon award of contract. If an individual requests copies of these documents, the DAA will assess a fee to cover duplicating costs. Documents may be returned only at the DAA's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official DAA files, and one copy will be retained to be put on file at Fairs & Expositions in Sacramento.

2. Confidentiality of Proposals

The DAA will hold the contents of all proposals in confidence until issuance of the "Notice of Proposed Award"; once scored and Notice of Award is posted, the bidding documents can be viewed under "public inspection."

3. Modification or Withdrawal of Proposals

Any proposal which is received by the DAA before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the costs estimate are valid for 60 days" is non-responsive to the RFP, and shall on that basis be rejected.

PART IV

SCOPE OF WORK TO BE PERFORMED

This part describes the scope of work to be performed by the bidder who is awarded the contract and the terms and conditions, which shall be deemed incorporated, and will become a part of any contract awarded pursuant to this RFP. The contract awarded pursuant to this RFP will also contain the current “*General Terms and Conditions*” (Exhibit “B”) and will be incorporated and made a part of the contract. All Terms and Conditions are fixed and non-negotiable.

The specifications listed below represent the minimum expectations of the DAA for the performance of contract to be awarded by this RFP. These are only examples. We are looking for professional security services to work cooperatively with the California Highway Patrol and the Fair Task Force assembled by California Highway Patrol Officers.

Schedule listed below is for bidders’ reference only. It is bidder’s responsibility to provide staffing that meets or exceeds these specifications.

Security on the Mother Lode Fairgrounds is under the direction and supervision of the California Highway Patrol – Sonora Office. The successful bidder should expect to coordinate, cooperate and take direction from the CHP Officer designated as Task Force Leader. Additional direction may be provided by Fair Staff as necessary. All services shall be performed in a competent, professional, and satisfactory manner in accordance with prevailing industry standards. (Please include management philosophy as indicated in Part V, Section B.)

BIDDER MUST PROVIDE A PROPOSED SCHEDULE BROKEN DOWN BY LIVESTOCK AND MAIN FAIR.

PART V

EVALUATION, SELECTION AND SCORING PROCESS

Each proposal shall be evaluated to determine responsiveness to the DAA's needs as described in this RFP. This part describes the process the DAA will follow when evaluating and scoring proposals and awarding the contract, if any is awarded, and contains the exact scoring criteria to be used. During the evaluation and selection process, the Committee may wish to interview a Bidder for clarification purposes only. The Bidder will not be allowed to ask questions concerning other Bidders, but only to respond to clarification questions from the Committee. Proposals cannot be changed by the Bidder after the time and date designated for receipt.

A. EVALUATION AND SELECTION

1. Following the deadline for receipt of proposals as stated in Part II, each proposal will be examined to determine if:
 - Submittal (receipt) was by the deadline time and date; and
 - The physical format requirements were met.

This is not a public review.

2. Technical proposals that meet the submittal format requirements, as stated in the previous paragraph, will be submitted to the Committee for:
 - Review of the technical proposal,
 - Confirmation the information is presented in the format required by the RFP, and
 - All required documentation is included and correct.

Proposals that do not present the information in the format required may be rejected as non-responsive.

This is not a public review.

3. The DAA reserves the right to verify any references and employment experiences referenced or disclosed in this proposal or to ascertain the accuracy of information presented. Misinformation or inaccuracies are grounds for disqualification or receipt of a lower score.
4. The Committee will evaluate each proposal that meets the format requirements of preceding paragraph two, and assign points for the technical proposal.

This is not a public review.

5. The Committee may request interviews of the bidder for clarification of proposals. Following any interviews, the proposals may be re-scored.

6. The “Financial Proposal Bid Forms” will then be opened and scored and added to each reviewer’s points to obtain the total points each reviewer gives to each bidder. The total points of **each** reviewer will be added up for that bidder and the result divided by the number of reviewers for the bidder’s overall (average) score.
7. Small Business Preference will be added if applicable (see Small Business Preference Information in Part II).
8. The proposed award will be made to the bidder with the highest final score.
9. In the event of a tie in determining the successful bidder, the tie will be broken by a toss of a coin by a member of the Committee in the presence of authorized representatives of the tied bidders.
10. All bidders will be notified of the results.
