F. SMALL BUSINESS PREFERENCE

State law allows certified small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SBs/MBs be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computational purposes to determine the winning bidder, the actual bid amount remains the same.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with the Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), refer to the information below for contact information:

Office of Small Business and DVBE Services (OSDS)
Attn: BDD Unit
707 3rd Street, 1st Floor, Room 1-400, MS 210
West Sacramento, CA 95605
Phone: (800) 559-5529 or (916) 375-4940
Email: osdchelp@dgs.ca.gov

If you are claiming the 5% small business preference, a copy of your OSDS Small Business Certification Approval Letter must be submitted with the proposal.

G. BIDDER/CONTRACTOR STATUS FORM

All bidders must complete, sign and submit the form in response to this RFP. Failure to comply will deem the bidder non-responsive. The Fair reserves the right to verify the information on the “Bidder/Contractor Status Form” at the time of the bid. If the bidder is a corporation, the form must include the title of the person signing (i.e. corporate officer status) and a copy of the corporate resolution authorizing the signing of the form must be attached. If a partnership, the signing partner must indicate whether a limited or general partner.

H. CALIFORNIA FAIR SERVICES AUTHORITY (CFSA) CARNIVAL MASTER INSURANCE LIST

No carnival operator will be eligible to be awarded a contract with the Fair unless said operator has submitted required insurance documents to CFSA and been approved for placement on the CFSA Carnival Master Insurance List prior to the bid due date; or alternatively, submitted all required insurance documentation for operation at this particular Fair to CFSA well in advance of the Fair’s proposal due date, to ensure that these documents are reviewed and approved. The carnival operator awarded the contract shall ensure that they are on the CFSA Carnival Master Insurance List or have CFSA approval of the required insurance documentation for each year of the contract prior to carnival set up, during fair time operation, and during carnival take down.

I. PRE-CONTRACTUAL EXPENSES

The District shall not, in any event, be liable for any pre-contractual expenses incurred by the Bidder including, but not limited to, expenses related to the preparation of a proposal in response to the RFP, submission of said RFP, negotiations related to this proposal, travel expenses, and any other expense incurred by the Bidder prior to the contract commencement date. Additionally, the Bidder shall not include any such expenses as part of the price as proposed in response to this RFP.

J. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this RFP and it is found by the District to be acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis, possibly including an audit, may be performed by or for the District in order to determine if the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in response to this RFP.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal Bid Form. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable.

Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

K. NON-ASSIGNMENT

Any attempt by Contractor to assign, subcontract, or transfer all or part of this agreement shall be void and unenforceable without the District's prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting, or transferring this agreement.

PART 3

RULES GOVERNING COMPETITION AND TECHNICAL EVALUATION

A. RFP REQUIREMENTS AND CONDITIONS

1. Errors

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFP, it shall immediately notify the DAA of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document. Modifications, if any, will be made in writing by way of addendum issued pursuant to paragraph 2 below. Clarifications, if issued, will be given by written notice to all parties to whom the DAA had sent notice of the RFP and to persons or entities who have requested to be given notice of any modifications or notices.

2. Addenda

If necessary, the Fair will modify the RFP prior to the date set for submission of final proposal, by issuance of an addendum to all parties who have been furnished notice of the RFP for bidding purposes. All bidders should inquire from the contact person listed on the cover sheet whether any additional addenda have been issued prior to submitting a proposal in response to the RFP.

3. Definitions

The use of “shall”, “must” or “will” indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a desirable attribute or condition but are permissive in nature and may affect the score the proposal receives.

4. Grounds for Rejection of Proposal

A proposal *shall* be rejected if:

- It is received at any time after the exact time and date set for the receipt of proposals as stated in Part 2, Items C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.
- The bidder has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal *may* be rejected if:

- It contains false or misleading statements or references which do not support an attribute or conditions contended by the competitor. The proposal shall be rejected if, in the opinion of the State, such information was intended to erroneously and fallaciously mislead the State in its evaluation of the proposal and the attribute, condition or capability requirement of this RFP.
- It is unsigned.

5. Right to Reject Any or All Proposals

It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District reserves the right to reject any or all proposals, or to cancel the RFP at any time during the process.

6. Protests

A bidder may file a protest against the awarding of this contract. The protest must be filed with the Department of General Services (DGS) (707 Third Street, West Sacramento, CA 95605, Attention: Office of Legal Services) and the Ventura County Fair. The protest shall be filed prior to the expiration of five (5) working days from notice of the proposed award being posted and, in no event, later than 5:00 pm on the fifth working day after Notice of Proposed Award was posted in a public place at the Fair's Administration Office.

In addition, within five (5) calendar days after filing the protest, the protesting bidder shall file with the Fair and Department of General Services Legal Office a fully detailed and complete written statement specifying the grounds for the protest.

Please Note: Failure to file a notice of protest by the conclusion of the fifth working day after notice of intention to award a contract has been posted and a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protestor's protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in the Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Disposition of Proposals

All material submitted in response to this RFP will become the property of the Fair. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the Committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the Fair will assess a fee to cover duplicating costs. Documents may be returned only at the Fair's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official Fair files.

2. Confidentiality of Proposals

The Fair will hold the contents of all proposals in confidence until issuance of the Notice of Proposed Award; once issued and posted, no proposal will be treated as confidential.

3. Modification or Withdrawal of Proposals

Any proposal the Fair receives before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part 2.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "The proposal and the cost estimates are valid for 60 days" is non-responsive to the RFP.
