

2026 STATE RULES FOR CALIFORNIA FAIRS
ADDENDUM I
SUMMARY OF CHANGES FOR 2026

Changes or additions in **red** type, deleted wording is ~~struck through~~.

V. PROTEST

1. Protests will be considered only if there has been a violation of State or Local Rules that have not been enforced. Decisions of judges, veterinarians, weighmasters, breed callers, tail dock officials, **and timers, and other fair officials** cannot be protested and are final.

VII. JUNIOR DEPARTMENT

Exhibitor Age Requirements

1. FFA members **must be enrolled in a state-approved agricultural education program at their school to participate as an FFA exhibitor and** may participate as members as early as entering into the seventh grade, until the end of the calendar year following the year of graduation from high school. (For example, a graduate this year is eligible until December 31 of next year.)
5. **Special Divisions** - Youth under 9 years of age must exhibit in special small animal and non-livestock divisions designated by the local fair, ~~with the exception of Pee Wee Showmanship. Youth organization affiliation is not required. No premiums or monetary awards to be provided by the fair, as well as no possibility of participating in the livestock auction.~~
 - a. Pee Wee Showmanship is a learning experience for youth 5 to 8 years of age ~~to participate in livestock showmanship divisions. No premiums or monetary awards to be provided by the fair, as well as no possibility of participating in the livestock auction.~~ Participants should sign a release of liability/Hold Harmless statement provided by the Fair.

Livestock and Horse Exhibits, Ownership

1. Animal and horse projects must be owned (and leased horses as specified in this document) solely by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown as specified below. Animal projects may NOT be shown/entered by another person at ANY other show/jackpot regardless of the other shows' rules, within the animal's ownership period, **except when multiple animals are entered by the same exhibitor in the same class.** The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair unless the event in the case of horse shows is held separately from the Fair. Ownership must be maintained through show date(s) of fair or event. See also VIII Livestock Department and XI. HORSE SHOW DEPARTMENT Ownership of Lease, rules 1 and 2.

2. No animal exhibit (excluding rabbit & poultry) owned by a chapter or club, conducted as a joint project by two or more individuals, or jointly owned by two or more individuals is eligible in the junior department, unless the division or class specifically so states, **or in the case that breeding animals are jointly owned by siblings only.**

Breeding animals entered in the junior department may be jointly owned by siblings provided the animal is entered and exhibited solely and in the name of one individual junior exhibitor, and that exhibitor is one of the siblings listed on the registration paper issued by a recognized-breed association. All entries must be registered and recorded by a recognized breed association in the name of the exhibitor(s). A 30-day consecutive ownership requirement applies to each sibling – meaning if one sibling shows the breeding animal at one fair, it cannot be shown by the other sibling within 30 days at another fair. Animals with a farm, family, ranch, or non-sibling owner's name listed as the owner are NOT eligible to enter. No pending papers will be accepted. Only ORIGINAL REGISTRATION PAPERS will be accepted.

3. Under no circumstances may an exhibitor **concurrently simultaneously** enter the same species of animal or bird (horses, beef cattle, dairy cattle, swine, sheep, dairy goats, meat goats, pygmy goats, poultry, pigeons, or rabbits) **under more than one youth organization (in FFA, 4-H, Grange, and or Independent) in classes of the junior department in the same year.** **(Please refer to 4-H/FFA/Grange/Fairs & Expositions Youth Agreement at <https://www.cdfa.ca.gov/fairsandexpositions/> for more information).**
4. No junior exhibitor may exhibit an animal in a market class once it has been sold as a market animal through a fair junior livestock auction. These animals may be shown following the 30 consecutive day ownership requirement as breeding animals only. ~~All champion and reserve champion market animals will be permanently identified by the fair if sold through a fair junior livestock auction unless these animals are sold at a terminal sale with no live animal pick-up. All market animals sold through a fair junior livestock auction with a live pick-up disposition will be permanently identified using universal tattoo in the left ear (for 2026 fair season, use "FE26") with green ink prior to the release of market animals.~~
