OPERATIONS**

Preparation Guide

This guide is designed to assist fairs with the preparation of their FY 2021/2022 Statement of Operations (STOP). All STOPS must be submitted in accordance with the policies in these instructions.

Please provide all information requested and attach additional pages to explain or list other relevant information as needed. Be sure to reference the attachment with the correct account number and the name of the account. *If a particular section or area does not apply to your fair, please note “not applicable” to indicate it was not overlooked in error.* Please include your fair’s FY 2021/2022 theme, if any, on the bottom of page 1.

Deadline

All STOPS should be **completed and submitted to Fairs & Expositions (F&E) no later than Friday, December 9, 2022**. Please send an electronic copy to joji.kume@cdfa.ca.gov or mail a hard copy to F&E to the following address:

CA Department of Food & Agriculture
Fairs & Expositions
1220 N Street
Sacramento, CA 95814.

What to Submit

Fairs must submit to F&E signed and completed Statement of Operations with appropriate schedules and attachments. Also include a June 30, 2022 *pre-closing* trial balance (after all adjusting entries have been made, but prior to closing revenues and expenses) and a *post-closing* trial balance (after revenues and expenses have been closed out). For a detailed listing of what to submit, see the Statement of Operations checklist included in this package.

All necessary worksheets are available for immediate download on F&E’s website at <https://www.cdfa.ca.gov/FairsAndExpositions/>.

SCHEDULES

The following schedules are part of the completed STOP package:

Schedule 1 - Statement of Financial Condition

The Statement of Financial Condition reflects all asset, liability and net resources (i.e., reserve) account balances after the revenue and expenditure accounts are closed for FY 2021/2022. In other words, the details of the post-closing trial balance are summarized and recorded on this schedule.

Schedule 2 - FY 2021/2022 General Allocation

Class I-X to IV+ fairs are eligible for general allocation funding. If your fair received an allocation during fiscal year 2021/2022, please list all uses of general allocation funding monies with respective dollar amounts.

Schedule 3 - FY 2021/2022 Training Allocation

Class I-X to IV+ fairs are eligible for training allocation funding. If your fair received training reimbursements during fiscal year 2021/2022, please list all training uses with respective dollar amounts.

Schedule 4 - FY 2021/2022 Fair Statistics

Please include all line item details requested, including free attendance breakdown and pass information. The total paid admission must agree with the amount reported on page 2, Account 41000. If necessary, attach and label additional pages and be sure to note "See attachments" and record totals on the schedule where indicated.

Schedule 6 - Permanent Positions on Payroll for FY 2021/2022

Please provide the information requested, including account number, class title, number of months employed, pay rate, and accrued compensated leave liability for each permanent position. District Agricultural Associations should use the exact civil service class title.

Schedule 7 - Property, Plant & Equipment Acquisitions & Dispositions

This form is designed to capture all property, plant & equipment (PP&E) acquisitions, and dispositions during FY 2021/2022 and provide the year-end amount of investment in capital assets. For step-by-step instructions on completing this form, please see Exhibit I to this preparation guide.

Note that “Construction in Progress” (CIP) is used to record capital expenditures for projects that are “in progress” and not yet complete. While CIP is an asset account and increases the Fair’s investment in capital assets, depreciation of the assets do not commence until the project is fully completed and CIP is reclassified to appropriate capital asset account.

Junior Livestock Auction (JLA)

Report the 2021/2022 JLA activity on the separate STATEMENT OF OPERATIONS – JUNIOR LIVESTOCK AUCTION form. **Do not include the totals on pages 1 and 2 of the regular STOP.** At year-end, JLA revenue and expense accounts are closed to account 25100, JLA Reserve. The June 30th adjusted balance in the general ledger must agree with the amount reported on Schedule 1 under Net Resources, Reserve for Junior Livestock Auction.
