TO: 2013 State Rules Advisory Committee
SUBJECT: 2013 State Rules Advisory Committee Meeting

The Division of Fairs & Expositions (F&E) encourages your participation at the upcoming meeting of the 2013 State Rules Committee, to be held on Wednesday, November 6, 2013. Attached is an Agenda for reference and logistics. We have also invited all California CEOs to attend this meeting if they so desire.

The primary purpose of this meeting is to discuss any pertinent Rule change recommendations the Committee may have. In addition, we are also working to establish the official 2014 State Rules Advisory committee and provide an update on CDFA's oversight of State Rules with the retirement of Tomme Jo Dale.

We appreciate your continued support as we move through a transition period in order to meet the expectations of the diverse participants in our many competitive exhibits throughout California, and look forward to seeing you next month. If you are unable to attend this meeting please contact CA State Fair Program Director Carrie Wright at (916) 263-3598 or cwright@calexpo.com

Sincerely,

John Quiroz
