C2016-01

TO: All Fair CEOs & Accounting Staff

SUBJECT: FY 2015/2016 STATEMENT OF OPERATIONS

We are pleased to present the FY 2015/2016 Statement of Operations (STOP) instruction package. Please read the enclosed instructions prior to submitting your STOP. All necessary worksheets are available for immediate download on the Fairs & Expositions website at <u>www.cdfa.ca.gov/fe</u>.

The submission of an annual STOP maintains the fair's eligibility to receive funds and is a requirement if the fair is utilizing state assets (B&P 19622). In addition, the information from the STOP is compiled in the annual STOP publication, which is a document that includes all STOP financial information by class size. Fairs utilize the publication for budgeting and networking purposes. Furthermore, the financial information in the STOP for the District Agricultural Associations (DAAs) is compiled into a set of financial statements and submitted to the State Controller's Office for the annual Comprehensive Annual Financial Report (CAFR). The CAFR is a set of governmental financial statements comprising the financial report of the state.

Submittal Deadline

STOP submittals may be made electronically or manually. Electronic STOP submittals must be sent to joji.kume@cdfa.ca.gov by Friday, November 4, 2016. Hard copy submittals must be postmarked by the same date, Friday, November 4, 2016.

If you have any questions regarding this package please contact Joji Kume at 916-900-5367 or via email at joji.kume@cdfa.ca.gov.

Sincerely,

John Quiroz Enclosures

Please provide all information requested and attach additional pages to explain or list other relevant information as needed. Be sure to reference the attachment with the correct account number and the name of the account. *If a particular section or area does not apply to your fair, please note "not applicable" to indicate it was not overlooked in error.* Refer to Exhibit I to assist with the completion of page 1 of the STOP. Please include your fair's FY 2015/2016 theme, if any, on the bottom of page 1.

Deadline

All STOPs should be **completed and submitted to Fairs & Expositions (F&E) no later than** <u>Friday, November 4, 2016</u>. Please send an electronic copy to <u>joji.kume@cdfa.ca.gov</u> or mail a hard copy to F&E. What to Submit

Fairs must submit to F&E <u>signed</u> and <u>completed</u> Statement of Operations with appropriate schedules and attachments. Also include a June 30, 2016 *pre-closing* trial balance (after all adjusting entries have been made, but prior to closing revenues and expenses) and a *post-closing* trial balance (after revenues and expenses have been closed out). For a detailed listing of what to submit, see the Statement of Operations checklist included in this package.

All necessary worksheets are available for immediate download on F&E's website at <u>http://www.cdfa.ca.gov/fe/</u>.

SCHEDULES

The following schedules are part of the completed STOP package:

Schedule 1 - Statement of Financial Condition

The Statement of Financial Condition reflects all asset, liability and net resources (i.e., reserve) account balances after the revenue and expenditure accounts are closed for FY 2015/2016. In other words, the details of the post-closing trial balance are summarized and recorded on this schedule.

Effective for fiscal year 2015/2016, the new accounting and reporting requirements for pensions take effect to comply with Governmental Accounting Standards Board Statement No. 68 (GASB 68) – Accounting and Financial Reporting for Pensions–An Amendment of GASB Statement No. 27. The new policy requires the liability for pension obligations, known as the net pension liability, to be recognized. New general ledger accounts have been added to reflect the additional reporting requirements.

Schedule 2 - FY 2015/2016 General Allocation (NEW)

Class I-X to IV+ fairs are eligible for general allocation funding. If your fair received an allocation during fiscal year 2015/2016, please list all uses of general allocation funding monies with respective dollar amounts.

Schedule 3 - FY 2015/2016 Training Allocation (NEW)

Class I-X to IV+ fairs are eligible for training allocation funding. If your fair received training reimbursements during fiscal year 2015/2016, please list all training uses with respective dollar amounts.

Schedule 4 - FY 2015/2016 Fair Statistics

Please include all line item details requested, including free attendance breakdown and pass information. The total paid admission must agree with the amount reported on page 2, Account 41000. If necessary, attach and label additional pages and be sure to note "See attachments" and record totals on the schedule where indicated.

Schedule 6 - Permanent Positions on Payroll for FY 2015/2016

Please provide the information requested, including account number, class title, number of months employed, and pay rate for each permanent position. District Agricultural Associations should use the exact civil service class title.

Schedule 7 - Property, Plant & Equipment Acquisitions & Dispositions

This form is designed to capture all property, plant & equipment (PP&E) acquisitions and dispositions during FY 2015/2016, and provides the year-end amount of investment in capital assets. For step-by-step instructions on completing this form, please see Exhibit I to this preparation guide.

Note that "Construction in Progress" (CIP) is used to record capital expenditures for projects that are "in progress" and not yet complete. <u>To simplify the accounting of CIP for fairs, F&E only requires fair-funded CIP expenditures to be recorded (i.e., capitalized) in the general ledger during the year incurred.</u> While CIP is an asset account and increases the Fair's investment in capital assets, depreciation of the assets do not commence until the project is fully completed and CIP is reclassified to appropriate capital asset account.

Junior Livestock Auction (JLA) - (REINTRODUCED)

Report the 2015/2016 JLA activity on the separate STATEMENT OF OPERATIONS – JUNIOR LIVESTOCK AUCTION form. **Do not include the totals on pages 1 and 2 of the regular STOP.** At year-end, JLA revenue and expense accounts are closed to account 25100, JLA Reserve. The June 30th adjusted balance in the general ledger must agree with the amount reported on Schedule 1 under Net Resources, Reserve for Junior Livestock Auction.

FY 2015/2016 STATEMENT OF OPERATIONS

Preparation Guide Exhibit 1

PAGE 1: Please refer to sample Page 1

- A1 Beginning FY 2015/2016 Unrestricted Net Resources (also referred to as Net Resources-Unrestricted) as of July 1st should equal actual FY 2014/2015 Unrestricted Net Resources at June 30th as shown on FY 2014/2015 STOP.
- A2 Beginning FY 2015/2016 Restricted Net Resources (also referred to as Net Resources-Restricted) as of July 1st should equal any restricted net resources held by the fair as of June 30, 2015. Some fairs account for restricted net resources in separate general ledger sub-accounts (e.g., account 29300). While this is an acceptable option for fairs, it is important that all such accounts roll into total net resources, account 29100, on both Schedule 1 and Page 1 of the FY 2015/2016 STOP.
- A3 Beginning FY 2015/2016 Investment in Capital Assets, Net of Related Debt (also referred to as Net Resources-Capital Assets, less related debt) as of July 1st should equal Actual FY 2014/2015 Investment in Capital Assets, Net of Related Debt at June 30th as shown on FY 2014/2015 STOP.
- A4 Enter any prior year audit adjustments.

- **R** This number is automatically carried forward by the template and represents any balance remaining in restricted net resources (also referred to as Net Resources-Restricted). If general ledger sub-accounts are used for restricted net resources, then this number represents the aggregate of the sub-accounts.
- **S** This number is automatically carried forward by the template and represents ending investments in capital assets (also referred to as Net Resources-Capital Assets, less related debt).
- **T** This number is automatically calculated by the template and requires no manual entry. This number should be used as a check figure to verify the accuracy of the breakdown of Total Net Resources.
