F2018-10

TO: All Fair CEOs & Accounting Staff

SUBJECT: 2018 STATEMENT OF OPERATIONS

We are pleased to present the 2018 Statement of Operations (STOP) instruction package. Please read the enclosed instructions prior to submitting your STOP. All documents are available on Fairs & Expositions' (F&E) website at www.cdfa.ca.gov/fe.

The submission of an annual STOP maintains the fairs' eligibility to receive funds and is a requirement if the fair is utilizing state assets (B&P 19622). The information from the STOP is compiled in the annual STOP publication, which is a document that includes all STOP financial information by class size. Furthermore, the financial information in the STOP for the District Agricultural Associations (DAAs) is compiled into a set of financial statements and submitted to the State Controller's Office (SCO) for the annual Comprehensive Annual Financial Report (CAFR). The CAFR is a set of governmental financial statements comprising the financial report of the state.

Submittal Deadline

The STOP must be submitted to F&E by **Monday, March 4, 2019**.

Fairs on the Watch - Additional Reporting Requirements

Additional reporting requirements will be required for all DAAs with negative reserves as stated on the 2018 STOP. F&E will contact the DAAs with negative reserves to outline additional reporting requirements.

GASB 68 and GASB 75 Reporting Requirements

GASB 68 (Accounting and Financial Reporting for Pensions) and GASB 75 (Accounting and Financial Reporting for Postemployment Benefits Other Than Pension Plans / OPEB) are effective for fiscal years beginning after June 15, 2016. If your fair has any reportable pension or OPEB liabilities, then they should be reported on the STOP.

For DAAs: In order to book GASB 68 and GASB 75, DAAs require information provided by F&E. At the time of this writing, F&E has not yet received the information needed from SCO to distribute to the DAAs. Due to these timing issues, DAAs will not be reporting any changes to GASB 68 nor be reporting GASB 75 line items. In other words, the balance sheet items (Deferred Outflow of Resources – Pension, Deferred Inflow of Resources – Pension, Net Pension Liability, and the Unrestricted Net Position – Pension) that were reported in the ending 2017 STOP will be used for the 2018 STOP.

Please note that although the 2018 STOP will not have the GASB 68 and GASB 75 adjustments, your auditor will most likely recommend that these adjustments be made to your 2018 financial records when the relevant information is made available from SCO.

If you have any questions regarding this package, please contact Joji Kume by email at joji.kume@cdfa.ca.gov or by phone at 916-900-5367.

Sincerely,

John Quiroz

2018 STATEMENT OF OPERATIONS

Preparation Guide

This guide is designed to assist fairs with the preparation of their 2018 Statement of Operations (STOP). All STOPS must be submitted in accordance with the policies in these instructions.

Please provide all information requested and attach additional pages to explain or list other relevant information as needed. Be sure to reference the attachment with the correct account number and the name of the account. *If a particular section or area does not apply to your fair, please note "not applicable" to indicate it was not overlooked in error.* Refer to Exhibit I to assist with the completion of page 1 of the STOP. Please include your fair's 2018 theme, if any, on the bottom of page 1.

Deadline

All STOPS should be **completed and submitted to Fairs & Expositions (F&E) no later than Monday, March 4, 2019**. Please mail a copy to F&E or email STOPS to joji.kume@cdfa.ca.gov. F&E's mailing information is as follows: CA Department of Food & Agriculture, Fairs & Expositions Branch 1220 N Street Sacramento, CA 95814.

What to Submit

Fairs must submit to F&E signed and completed Statement of Operations with appropriate schedules and attachments. Also include a December 31, 2018 **pre-closing trial balance** (after all adjusting entries have been made, but prior to closing revenues and expenses) and a **post-closing trial balance** (after revenues and expenses have been closed out) **preferably in excel**. For a detailed listing of what to submit, see the Statement of Operations checklist included in this package.

All necessary worksheets are available for immediate download on F&E's website at <http://www.cdfa.ca.gov/fe/>.

SCHEDULES

The following schedules are part of the completed STOP package:

Schedule 1 - Statement of Financial Condition

The Statement of Financial Condition reflects all asset, liability and net resources (i.e., reserve) account balances after the revenue and expenditure accounts are closed for 2018. In other words, the details of the post-closing trial balance are summarized and recorded on this schedule.

Schedule 2 - FY 2017/2018 General Allocation

Class I-X to IV+ fairs are eligible for general allocation funding. If your fair received an allocation during calendar year 2018, please list all uses of general allocation funding monies with respective dollar amounts.

Schedule 3 - FY 2017/2018 Training Allocation

Class I-X to IV+ fairs are eligible for training allocation funding. If your fair received training reimbursements during calendar year 2018, please list all training uses with respective dollar amounts.

Schedule 4 - 2018 Fair Statistics

Please include all line item details requested, including free attendance breakdown and pass information. The total paid admission must agree with the amount reported on page 2, Account 41000. If necessary, attach and label additional pages and be sure to note "See attachments" and record totals on the schedule where indicated.

Schedule 6 - Permanent Positions on Payroll for 2018

Please provide the information requested, including account number, class title, number of months employed, pay rate, and compensated leave liability for each permanent position. District Agricultural Associations should use the exact civil service class title.

Schedule 7 - Property, Plant & Equipment Acquisitions & Dispositions

This form is designed to capture all property, plant & equipment (PP&E) acquisitions and dispositions during 2018, and provides the year-end amount of investment in capital assets. For step-by-step instructions on completing this form, please see Exhibit I to this preparation guide.

Note that “Construction in Progress” (CIP) is used to record capital expenditures for projects that are “in progress” and not yet complete. While CIP is an asset account and increases the Fair’s investment in capital assets, depreciation of the assets do not commence until the project is fully completed and CIP is reclassified to appropriate capital asset account.

Schedule 9 – Employer’s Share of Contributions towards Pension Plan (Only Required by DAAs)

This schedule is designed to identify the monthly contribution of the employer’s share of the contribution made towards the pension plan. The dates for the contributions are for 18 months starting on July 1, 2017 to December 31, 2018.

Other Information for DAAs – GASB 68 (Pension Liability) and GASB 75 (OPEB Liability)

With the pension and OPEB (other post-employment benefits) liability related figures relying on figures provided by the State Controller’s Office (SCO), DAAs will not be reporting any changes to the pension or OPEB related line items for the 2018 STOP due to the required figures from SCO being unavailable. In other words, the 2018 pension related balance sheet items will be the same as the figures reported at the end of 2017. With no information for OPEB, there will be no entries made to OPEB related line items.

Please note that the Auditors may want these adjustments made to the 2018 period when the pension and OPEB figures are provided at a later time.

PAGE 1: Please refer to the sample page 1

- A1** Beginning 2018 Unrestricted Net Resources (also referred to as Net Resources-Unrestricted) as of January 1st should equal Actual 2017 Unrestricted Net Resources at December 31st as shown on your 2017 STOP.

While this is an acceptable option for fairs, it is important that all such accounts roll into total net resources, account 29100, on both Schedule 1 and Page 1 of the 2018 STOP.
- A4** Beginning 2018 Investment in Capital Assets, Net of Related Debt (also referred to as Net Resources-Capital Assets, less related debt) as of January 1st should equal Actual 2017 Investment in Capital Assets, Net of Related Debt at December 31st as shown on your 2017 STOP.
