Applicant Portal Overview

The AmpliFund *Applicant Portal* allows organizations to submit applications to a funding opportunity. This guide for applicant users explains how to navigate the Applicant Portal, complete funder application forms, and add budget and performance plans during the application process.

Applicants may have received an opportunity-specific link from the funder, or a link to all of the funder's open opportunities.

Project Information

You can add your application information and primary contact information on the Project Information page. If the funder requires a Cash Match and/or an In-Kind Match, those amounts can be added in this section.

How To Complete Project Information

1. Open the **opportunity**.
2. Click **Project Information**.

Application Information

3. Add the **Application Name**. The application name defaults to the opportunity name.
4. Add the **Award Requested**. This is the total amount you are requesting from the grant funder.
5. Add the **Cash Match Contributions** and **In-Kind Match Contributions**, if applicable. This is the amount you are planning to contribute to the project. It may differ from the funder's calculated required amount.

Primary Contact Information

6. Add the application's primary **contact information**. The information in this section defaults to the contact information provided by the user who started the application. This user will receive an email notification if the application is reopened.
7. Click **Save** to save your progress, **Mark as Complete** to save the page and mark as complete, or **Save & Continue** to save your progress and move to the next page. Your information will not be shared with the funding organization until you click **Submit** on the Submit page.

Performance Plan

Depending on the opportunity settings, there may be a Performance Plan page. Funders may also include defined programmatic goals for applicants to meet through grant activities. If goals have been predefined, they will appear in the goal type dropdown.

How To Add a Performance Goal

1. Open the **opportunity**.
2. Click **Performance Plan**.

3. Click **+ Add Goal**.

Proposed Performance Plan

4. In the pop-up window, select a **Goal Type**. The available goal types may vary depending on the opportunity settings.
 - **Milestone:** Track completion of grant milestones (i.e. Will you complete X?)
 - **Narrative:** Capture a narrative response (i.e. How will you complete X?)
 - **Numeric:** Track discrete numbers to achieve (i.e. Will you achieve X number?)
 - **Percent Achieved:** Track a percent to achieve (i.e. Will you achieve X%?)
 - **Percent Change:** Track a percent increase or decrease (i.e. Will you achieve X% increase?)
 - **Reimbursement:** Track discrete units to achieve with a dollar rate per unit (i.e. Will you achieve X units with a reimbursement rate of \$Y/unit?)
5. Add a goal **Name**.
6. Add the **goal information**. The fields will vary depending on the goal type.
7. Click **Save**.

How To Add a **Milestone** Goal

Milestone goals are the most basic goal type. They allow for tracking progress on the completion of a "pass or fail" goal. An example of a

milestone goal is “Create and send Q1 Staff Survey.”

1. Click **+ Add Item**.
2. In the pop-up window, select **Milestone** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Description** (optional).
5. Click **Save**.

How To Add a **Narrative** Goal

Narrative goals are question and answer goals. Responsible staff members may answer the question posed by the goal. An example of a narrative goal is “How successful was the grant-related activity this period?”

1. Click **+ Add Item**.
2. In the pop-up window, select **Narrative** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Narrative**.
5. Click **Save**.

How To Add a **Numeric** Goal

Numeric goals are a discrete number to achieve. As units of the goal are completed, staff may record units completed. An example of a numeric goal is “number of program participants” with a goal target of 50.

1. Click **+ Add Item**.
2. In the pop-up window, select **Numeric** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Number To Be Achieved** (optional).
5. Add the goal **Description** (optional).
6. Click **Save**.

How To Add a **Percent Achieved** Goal

Percent achieved goals are goals to reach a desired percent. When tracking progress against a percent achieved goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent achieved goal is "Volunteer Retention Rate" with a goal target of 70%.

1. Click **+ Add Item**.
2. In the pop-up window, select **Percent Achieved** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the **Desired Percentage** in decimal format (optional).
5. Add the goal **Description** (optional).
6. Click **Save**.

How To Add a **Percent Change** Goal

Percent change goals are goals to track a percent increase or decrease. Percent change goals are defined with a starting percent and a desired percent. When tracking progress against a percent change goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent change goal is "Decrease in Student Absences" with a starting

absentee rate of 10%, and a goal absentee rate of 3%.

1. Click **+ Add Item**.
2. In the pop-up window, select **Percent Change** from the *Goal Type* dropdown.

The screenshot shows a form for adding a goal. The 'Goal Type*' dropdown is set to 'Percentage Change'. Below it are input fields for 'Name*', 'Desired Percentage*' (0.00 %), and 'Current Percentage*' (0.00 %). At the bottom is a larger text area for 'Description'.

3. Add a goal **Name**.
4. Add the **Desired Percentage** in decimal format.
5. Add the **Current Percentage** in decimal format.
6. Add the goal **Description** (optional).
7. Click **Save**.

How To Add a **Reimbursement** Goal

Reimbursement goals are goals with a discrete unit to achieve, and a dollar rate associated per unit. When tracking progress against a reimbursement goal, staff may enter Units Achieved. An optional checkbox field appears on each reimbursement goal type labeled "Add as budget item." If the goal is added as a budget item, the reimbursement goal will appear as part of the grant's expense budget. If a reimbursement goal is shown on the grant budget, any updates made to the goal through the performance plan will automatically update the budget. An example of a Reimbursement goal is "Number of Patient Screenings" with target/maximum units of 100, and a reimbursement rate per unit of \$22. Reimbursement goals are used to support pay for performance grants.

1. Click **+ Add Item**.
2. In the pop-up window, select **Reimbursement** from the *Goal Type* dropdown.

The screenshot shows a form for adding a goal. The 'Goal Type*' dropdown is set to 'Reimbursement'. Below it are input fields for 'Name*', 'Number To Be Achieved' (0), 'Rate Per Achievement' (\$0.00), and a 'Budgeted Amount' of \$0.00.

3. Add a goal **Name**.
4. Add the **Number To Be Achieved** (optional).
5. Add the **Rate Per Achievement** (optional).
6. Add the goal **Description** (optional).
7. Click **Save**.
