Organization Search Step 1

This page allows you to search for organizations which are already in the FAAST database. Enter any part of the organization name and click on the search button. Use care when entering an entire organization name. An extra space, or misspelled words, will prevent the system from retrieving the organization record. If you find the organization of interest, click on the name to submit an application on behalf of that organization. If you do not find the organization in the search results, Scroll down the search results to Create New Organization record.
