

Join us at the CDFA Animal Health Branch

CDFA Animal Health Branch:

As part of the California Department of Food and Agriculture (CDFA) and the Animal Health and Food Safety Services (AHFSS) Division, the Animal Health Branch (AHB) functions as **California's organized, professional veterinary medical unit to protect public health, animal agriculture, and the economy from catastrophic animal diseases and other related health and agricultural problems.** AHB addresses livestock diseases and issues that require statewide coordinated resources; responds to outbreaks and natural disasters that impact animal industry or affect animals; implements programs that protect public health and animal agriculture; and ensures the availability, affordability, and wholesomeness of food.
