INEDIBLE PERMIT APPLICATION

I hereby make application for a permit for the removal of inedible and / or condemned material in accordance with Chapter 5, Section 19380 of the California Food and Agricultural Code and Title 3, Section 1180.40 of the California Code of Regulations. Application for a permit is made with the understanding that any carcass, or parts, or products of animals, which are not intended for use as human food shall, prior to their being offered for sale or transportation, be denatured or otherwise identified as prescribed by regulation to prevent their use as human food (Section 19346, California Food and Agricultural Code).
