

# 2022 CA Farm to School Incubator Grant Program: Previous Grant Recipients Decision Tree

If awarded in 2022, I would like to...

## OVERLAP SPENDING:

Spend grant funds from the 2021 and 2022 awards *simultaneously* during the time when the grant terms overlap

AND/OR

## STAGGER SPENDING:

Spend grant funds from the 2022 award *after* spending all 2021 grant funds and completing the 2021 project

Replace

With my 2022 award, I **cannot** fund the same project activities that the 2021 award is already funding during the overlapping grant time period (i.e., no double dipping)

Supplement

With my 2022 award, I **can** continue the same project activities after completing my 2021 project

Supplement

With my 2022 award, I **can** begin new project activities that build upon existing project activities

Supplement

With my 2022 award, I **can** begin new project activities that build upon existing project activities

Supplement

With my 2022 award, I **can** add new elements to existing project activities

Supplement

With my 2022 award, I **can** add new elements to existing project activities

# 2022 CA Farm to School Incubator Grant Program: **Previous Grant Recipients Decision Tree** (continued)

## **Additional Details**

### **If overlapping spending:**

The recipient district/organization must be able to account for and report on both grant awards simultaneously and ensure that there is clear delineation between and non-duplication of the use of funds for each project.

### **If staggering spending:**

The recipient district/organization must understand that the grant term for the 2022 award will still end on November 30, 2024.

### **All previous grant recipients:**

Please note that all previous grant recipients must complete their 2021 project and spend their 2021 grant funds by the end of the grant term stated in their 2021 grant agreement. All 2022 grant recipients must complete their 2022 project and spend their 2022 grant funds by the end of the 2022 grant term (November 30, 2024).
