

CITRUS DISEASES OF CONCERN

Inspectors from the California Department of Food and Agriculture are surveying for citrus pests and diseases in your community. Please routinely inspect your trees for the pests and disease symptoms shown in the photos below. You can find more information by visiting our website at: https://www.cdfa.ca.gov/citrus/pests_diseases/target_pests.html.

If you have any questions or concerns, please call the Exotic Pest Hotline at 1-800-491-1899.

Thank you for your participation.
