

Which Assessment Form to Use

In its meeting held on August 20th, 2024, the Citrus Pest and Disease Prevention Committee approved a motion to recommend to the Secretary of the Department of Food and Agriculture to set the assessment rate for citrus packed on or after October 1, 2024 at \$0.09 per carton. The Secretary approved the recommendation on September 9th, 2024.

For all citrus packed on or after 10/01/24:

This citrus is subject to the current assessment rate of \$0.09 per carton. Use Form **CDF-005** to report citrus subject to the current assessment rate.

[CDF-005 Assessment Remittance \(after 10/1/2023\) \(ca.gov\)](#)

For all citrus packed between 10/01/21 and 09/30/23:

This citrus is subject to the prior assessment rate of \$0.07 per carton. Use Form **CDF-005P** to report citrus subject to the prior assessment rate.

[CDF-005P Prior Assessment Remittance \(before 10/1/2023\) \(ca.gov\)](#)

For all citrus packed on or before 09/30/21:

Please email cdfa.cpdpd_fiscal@cdfa.ca.gov and request an assessment form for any citrus you need to report that was packed before 10/01/21. Please indicate the date the citrus was packed so a form with the appropriate assessment rate can be sent to you.
