

## **Which Assessment Form to Use**

In its meeting held on September 22, 2021, the Citrus Pest and Disease Prevention Committee approved a motion to recommend to the Secretary of the Department of Food and Agriculture to reduce the assessment rate for citrus packed on or after October 1, 2021 to \$0.07 per carton (down from \$0.08). The Secretary approved the recommendation on September 24<sup>th</sup>, 2021.

### **For all citrus packed on or after 10/01/21**

This citrus is subject to the current assessment rate of \$0.07 per carton. Use Form CDF-005 to report citrus subject to the current assessment rate.
