Sub-Group #4: CPDPC Led Sub-Group – Focus on the Role of Pest Control Districts

Team members: Craig Armstrong, Dennis Johnson, Neil McRoberts, Dr. Etienne Rabe and Nick Condos

1. Make recommendations on the role of the Pest Control Districts (PCD's) and how CPDPP can work collaboratively with the PCD's in a way that increases overall effectiveness and is not duplicative of efforts.
2. Consider how PCD's may be able to lend support if buffer treatments are offered at the local level.
