Instructions for Form B CPDPC-004

Citrus Pest Disease and Prevention Assessments

- (1)** Enter the total weight received (in pounds) in **Column A**.
- (2)** Divide the total pound weight of the commodity received by 40 pounds. This will determine the number of 40 pound carton equivalent to be assessed. Enter in **Column B**.
For example – If 40,000 pounds is received, divide 40,000 by 40 and enter the result – 1,000 in **Column B**.
- (3)** Multiply the amount in **Column B** by the current assessment rate (0.09) and enter the amount in **Column C**.
- (4)** Add all assessment amounts and enter in Subtotal **Column C**.
- (5) Due Dates and Penalty:** Fees for the Citrus Pest & Disease Program is payable on the last day of the month immediately following the month in which commodities were received. Fees shall be paid no later than the 10th day of the month following the month for which the fees are payable. Handlers who fail to pay the fee within the prescribed time shall pay a penalty of 10% of the amount due and, in addition, 1.5% interest per month for the unpaid balance. Write in the amount of the penalty and interest owed. If none, write 0.
- (6)** Add the Subtotal and Penalty together and enter in the Citrus Pest Disease Total box.
- (7)** Add all the assessments together and enter in Total Amount to Remit box.
