Mr. David Ikari, Chief
Dairy Marketing Branch
California Department of Food and Agriculture
1220 N Street
Sacramento, CA 95814

Dear Mr. Ikari:

In regards to our petition dated May 1, 2008 requesting amendments to transportation allowances and credits that will be addressed at a State public hearing in July 1, 2008, we would like to rescind our request for a change in transportation credits pursuant to Section 300.2 of the Stabilization and Marketing Plan.

We will therefore be testifying for changes only to transportation allowances pursuant to Section 921.2 of the Pooling Plan for Market Milk. New updated data will be provided on the significant increase in hauling costs since our petition that will result in higher adjustments than previously requested.

We look forward to providing the industry our actual supporting cost data at the upcoming hearing.

Sincerely,
