A.G. Kawamura,

I am writing to you in support of flooring the all milk price at \$14.50 per hundred wt. I run a family owned dairy, milking approximately 600 cows and have been in business for 30 years. In the last two years my business has lost \$600,000 due to the extremely low price of milk. If the milk prices ever dip to the same as they were in the end of 2008 and 2009 then more than likely we will lose our dairy, along with many other family owned dairies. Establishing the floor milk price a \$14.50 will allow me to pay my bills and keep my dairy.

Please consider flooring the all milk price at \$14.50 per hundred wt.

Sincerely,

Ray Alamo
Owner
