

CALIFORNIA DEPARTMENT OF  
FOOD & AGRICULTURE

Karen Ross, Secretary

January 8, 2025

**Notice of Voting Period Extension for CDFA QIP Referendum  
New Deadline: January 10, 2025  
(Original Deadline: January 9, 2025)**

To All California Market Milk Producers and Interested Parties:

The California Department of Food and Agriculture (Department) is conducting a referendum. The voting period for the referendum was originally scheduled from October 11, 2024, to January 9, 2025.

However, January 9, 2025, was designated a National Day of Mourning and federal offices, including post offices, will be closed for the day. Due to these unforeseen circumstances, the Department is extending the voting deadline by 1 day to January 10, 2025. Ballots received by the Department must be received or returned with postmark no later than January 10, 2025.

If you have any questions regarding the referendum or need a ballot, please contact David Ko with the Quota Administration Program at (916) 900-5012 or [David.ko@cdfa.ca.gov](mailto:David.ko@cdfa.ca.gov).
