

Post Hearing Brief

of Testimony of
Jose T. Maldonado, Controller
and
David Villanueva, CFO
on behalf of
Marquez Brothers International, Inc.

at the
Consolidated Stabilization and Marketing Plan and Pooling Plan Hearing
Sacramento, California
May 31, 2012

Mr. Hearing Officer and Members of the Hearing Panel:

The pricing relation information you requested on the WPC 80% versus the WPC 34% is proprietary data. The folks that supply this information are not comfortable releasing, because it entails company confidential individual pricing.

Thank you for the opportunity to file a post hearing brief.
