

## Minimum Prices for the Four Types of Milk, by Container Size <sup>1</sup> January 2016

The minimum price of milk, established by the Department, is the price that dairy processors must pay for milk used to produce dairy products. The table below shows individual prices for the four types of fluid milk by container size and the price changes from the previous month. The prices listed represent the minimum prices paid by processors for the milk only, no other processing costs are included.
