Michael L. H. Marsh
Chief Executive Officer
Western United Dairymen
1315 K Street
Modesto, CA 95354

Dear Mr. Marsh:

Mike

Thank you for your letter dated May 27th regarding the upcoming Class 4a and 4b hearing. You raise concerns regarding the time schedule of the hearing and request a 15-day extension to allow for appropriate analysis and preparation.

We have carefully and thoroughly weighed the merits of your request and have decided to proceed with the hearing according to the time schedule as previously announced.

Yours truly,

Karen
