TO WEIGHTS AND MEASURES OFFICIALS

**Subject: Schedule of Fees**

Business and Professions Code Section 12210.5 enables a county, if authorized by the County Board of Supervisors, to charge for testing commercial devices when: (a) the test is requested by the owner/user and (b) testing could legally be performed by a registered service agency.

Section 12210.5 requires that charges be based upon a uniform schedule of fees established by the Secretary. The schedule must be comparable with rates charged by agencies.

Service agency fees cover a wide range and use different methods, even for similar companies in the same areas. The hourly fee quoted in this schedule is generally higher than the service agency average, but does not exceed the highest rates.

The attached Schedule of Fees is effective as of January 2004 and will remain in effect until revised. Notice D-99-7 should now be removed from your system.

If you have any questions, please contact Ken Lake, Program Supervisor, at (916) 229-3047 or via e-mail [klake@cdfa.ca.gov](mailto:klake@cdfa.ca.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Cleary".
