Discard: Retain

TO: WEIGHTS AND MEASURES OFFICIALS

**Subject: California State Accounting and Reporting System (CalSTARS),
 New Program Cost Account (PCA) Codes**

The Department has adopted new Program Cost Account (PCA) codes under the California State Accounting Reporting System (CALSTARS).

Effective July 1, 2007, please ensure *all* documents submitted for payment reflect these new PCA Codes. Please refer to the table below for a list of the appropriate replacement codes.

Note: documents that do not reflect the new PCA codes may be returned; this will result in a delay of payment to you.

A number of State document or forms contain the old billing codes. Please check for any blank DMS documents/forms in your office or vehicles that may contain our old billing codes. Documents we have identified so far are; weighmaster licensing and service agent registration application and information forms,

If an applicant completes and submits these applications, we cannot process the fees and therefore cannot issue a license or registration.

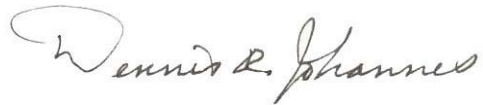

If you find documents with old codes, black out the code and enter the new one, or destroy the form.
