TO WEIGHTS AND MEASURES OFFICIALS

**SUBJECT: 2009 Field Reference Manual**

The 2009 Field Reference Manual (FRM) is ready for distribution.

As agreed at the 2007 California Agricultural Commissioners and Sealers Association Winter Conference, the FRM for 2009 has been reformatted to a one column design. One complete printed copy and a CD will be issued to each County Sealer. The Manual is available on the Division's website at: [www.cdfa.ca.gov](http://www.cdfa.ca.gov). Use the "Publications" tab and select "Regulations".

Please note that the FRM format has changed. For this reason, the 2009 revisions are not provided separately. We suggest printing the entire 2009 Manual. In addition, the Manual contains the new Electric Watthour Meter Regulations which became effective February 12, 2009.

If you have any questions, please contact Karen Green, Staff Services Manager, Administrative Service Unit, at (916) 229-3000 or via email [kgreen@cdfa.ca.gov](mailto:kgreen@cdfa.ca.gov).

Sincerely,

Edmund E. Williams  
Director
