TO: WEIGHTS AND MEASURES OFFICIALS

Subject: Revised Citation Manual

The Division of Measurement Standards is pleased to release a revised Citation Manual. The Citation Manual provides guidance to California weights and measures officials, who have the authority under sections 12015.3 and 13302 of the Business and Professions Code, to issue citations for misdemeanor and infraction violations involving weights and measures laws. The revision was necessitated by rulemaking that amended Article 2, Weights and Measures Penalty Guidelines, of the California Code of Regulations.

The Citation Manual is available in pdf format on the Division's website at: <http://www.cdfa.ca.gov/dms/publications.html>. We recommend you print out a new copy since there have been multiple edits throughout the document.

If you have questions please contact Kevin Batchelor, Chief, Enforcement Branch, at (916) 229-3000 or via email at kevin.batchelor@cdfa.ca.gov.

Sincerely,

Kristin J. Macey
Director
