Discard: 01/01/2015

TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: 2014 Field Reference Manual and Revision Index

The 2014 Field Reference Manual (FRM) and Revision Index are now posted and available on the Division of Measurement Standards' (DMS) website at:
www.cdfa.ca.gov/dms/publications.html

As noted in DMS Notice G-13-3R on the same subject, DMS has divided the FRM into 12 chapters with Chapter 1 further divided into seven parts based on general subject matters.

Also, minor corrections to authorities, references, and footnote numbering are not included in the list of changes; however, they are marked in the margins of the applicable document.

DMS has revised the disclaimer page to include weblinks to the official version of the California Code of Regulations, accessible at the California Office of Administrative Law, and the National Institute of Standards and Technology (NIST) Handbook 44, at the NIST Office of Weights and Measures website.

If you have any questions, please contact Karen Green, Staff Services Manager, at (916) 229-3000 or via email Karen.green@cdfa.ca.gov.
