DMS NOTICE
G - 20 - 04
DISCARD: RETAIN

TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Online Resources are Moving

The Division of Measurement Standards (DMS) recently attempted to add eleven extra Quantity Control (QC) training videos on the undisclosed website. However, we were told by the Department's IT Services that this website must be taken down because it does not comply with the Americans with Disabilities Act (ADA) accessibility requirements; plus, it can be accessed by the public (is not password protected).

All the contents of the undisclosed website have been moved to the DMS County Portal. This includes CTEP Certificates of Approval, training modules, EPOs, county monthly report/county annual report information, and the skimmer database, to name a few. Also, please note that eleven new QC training videos have been added.

You may access the DMS County Portal at this address:

<https://apps1.cdfa.ca.gov/dmsweighmaster/countyportal/Default.aspx>. If you do not already have login credentials (username and password), you may create a user account using your name and county email address. If you experience any type of login failure, please contact DMS by email at dms@cdfa.ca.gov or by phone at (916) 229-3000 for assistance.

Sincerely,

Kristin Macey
Director
