TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: **POSTPONED** Training Class – Vehicle Tank Meter (VTM) Examination Training

Due to the COVID-19 epidemic, the National Institute of Standards and Technology (NIST) has cancelled all official travel through April 2020. Since this class was being taught by a NIST Technical Advisor, the Division of Measurement Standards (DMS) has no option but to postpone the training event.

DMS will work with NIST to reschedule the class at a later date. Persons who had signed up for this class will be given priority when the class is rescheduled.

Sincerely,

Kristin J. Macey
