Introductions and Agenda Review

Kristin Macey, CDFA

9:15 a.m. – 9:30 a.m.

Recent Legislation and Regulatory Authority

Kevin Schnepf, CDFA

9:30 a.m. – 9:45 a.m.

Device Enforcement Program Overview

Clark Cooney, CDFA

9:45 a.m. – 10:30 a.m.

CDFA Staff

Presentation of proposed amendments to California Code of Regulations (CCR) Title 4, Division 9, Chapter 1, Part 3. Removal of tentative status from Section 3.40. Electric Vehicle Fueling Systems - Tentative Code and formal adoption of specifications, tolerances, and other technical requirements for electric vehicle supply equipment (EVSE) used in the commercial sale of electricity as a motor vehicle fuel for light-duty vehicles.

10:30 a.m. – 11:30 a.m.

Public commentary and discussion with stakeholders

CDFA Staff

11:30 a.m. Adjournment

Attendee List

Attendees should note that an attendee list (in person and electronic) may be prepared and that participants can choose to not be included on the list. The list becomes part of the Department's stakeholder record and will be used to distribute communications regarding EVSE regulation to impacted agencies, departments, and the public.

Please note that your written and oral comments, attachments, and associated contact information (e.g., your address, phone, email, etc.) will likely become part of the documents relied upon section included in the formal regulatory package submitted to Office of Administrative Law (OAL).
