NOTICE OF MODIFICATIONS TO TEXT OF PROPOSED REGULATIONS

Title 4, Division 9, Chapter 1, Article 1, Section 4001- Exceptions and Section 4002 – Additions, subsection 4002.9 Hydrogen Gas-Measuring Devices (3.39.)

Pursuant to the requirements of Government Code sections 11346.8(c), and section 44 of Title 1 of the California Code of Regulations, the California Department of Food and Agriculture is providing notice of changes made to proposed regulations Title 4, Division 9, Chapter 1, Article 1, Section 4001 - Exceptions and Section 4002 – Additions, subsection 4002.9 Hydrogen Gas-Measuring Devices (3.39.) which was the subject of a 45-day comment period from November 22, 2013 through January 6, 2014.

In Section 4001, the language “A.2. Exceptions (c)” was inadvertently left off of the text showing proposed changes. Also, both the Notice and the Initial Statement of Reasons incorrectly state that Section 4002 was being amended. Section 4002 is not being amended.

If you have any comments regarding the proposed changes, the Department will accept written comments from April 14, 2014 through April 29, 2014. All written comments must be submitted to the Department no later than 5:00 p.m. on April 29, 2014 and addressed to:

Steven Cook, Chief Enforcement Branch
Division of Measurement Standards
6790 Florin Perkins Road, Suite 100
Sacramento, CA 95828

Additionally, written comments may be sent via email to Steven.Cook@cdfa.ca.gov or facsimile at (916) 229-3026.

All written comments received by April 29, 2014 related to the indicated changes will be reviewed and responded to by the Department’s staff as part of the compilation of the rulemaking file. Please limit your comments to the proposed modification to the text.
