

**TITLE 4. BUSINESS REGULATIONS
DEPARTMENT OF FOOD AND AGRICULTURE**

**NOTICE OF MODIFICATIONS OF INITIAL STATEMENT OF REASONS FOR
NATURAL GAS MOTOR VEHICLE FUELS REGULATION**

MARCH 6, 2017

Pursuant to the requirements of Government Code §§11346.8 (c) and 1347.1 and the California Code of Regulations (CCR), Title 1, § 44, the Department of Food and Agriculture is providing notice of revision of the Initial Statement of Reasons (ISOR) for natural gas motor vehicle regulation posted on June 24, 2016.

This revision removes two factual errors identified in stakeholder comments on the original ISOR and clarifies sections of the original ISOR that were misunderstood by some stakeholders. It also incorporates new information not known to the Department when the original ISOR was prepared.

Any interested person or his or her authorized representative may submit written comments regarding this revised ISOR to the Department. Comments may be submitted by mail, FAX or email. If comments are submitted by email, please include 'natural gas fuel regulation' in the subject line. The written comment period closes at 5:00 p.m. on March 22, 2017. The Department will consider only comments received at the Department offices by that time.
