Division of Measurement Standards
Business and Professions Code (BPC) Division 5

2021 Business and Profession Code Revision Index

BPC Division 5

[AB 2663 \(2020\)](#): Chapter 14 [§§13400, 13440, and 13531](#) defines “dimethyl ether-propane fuel blend” and require dimethyl ether-propane fuel blends for use as motor vehicle fuel to meet the latest specifications set forth by the ASTM International.

2021 Other NewLaws of Interest

PUC Part 1. Chapter 4. Regulation of Public Utilities, Article 2. Rates.

[AB 1117 \(2020\)](#): This bill amended Public Utilities Code [§739.5](#). The bill requires master-meter customers that receive a rebate for electrical or gas service to distribute the rebate to, or credit the rebate to the account of, current users served by the master-meter customer.

The Division of Measurement Standards and county sealers of weights and measures should be aware that it is a misdemeanor to misrepresent a charge for service or charge an amount greater than the posted price (BPC [§12024.1](#)).
