**Note:**

The State of California, Division of Measurement Standards Metrology Program does not endorse any organizations or their services identified at these web sites. Customers need to verify that a listed source is currently providing a specific certification and meets the accreditation or recognition requirements.

**Measurement Discipline (Weights and Measures Application):**

25 & 50 pound cast block weights, Class F  
500 & 1000 pound cast block weights, Class F  
Other weights & weight kits  
Field "test measures" 5 gallon  
Portable bottom drain provers; 5 gallons to 1000 gallons  
Other Volume  
Digital/electronic & mechanical stop watches  
Measuring tapes and rulers  
Temperature  
Pressure  
Humidity  
AC and/or DC voltage, current, and/or Resistance  
Frequency  
Gage blocks, calipers, micrometers, height gages, and/or ring gages G
