The California Department of Food and Agriculture (CDFA) is pleased to announce a competitive solicitation process to award funding under the California Agriculture Special Interest License Plate (CalAgPlate) program. This program is funded by fees associated with the original purchase, annual renewal, and conversion of CalAgPlates from the California Department of Motor Vehicles.

Acknowledgement

This program would not be possible without the hard work of the many people and organizations that contributed to making the CalAgPlate a reality. Special mention, however, must be reserved for Class XXXI of the California Agricultural Leadership Program, which contributed greatly to the formative stages of this effort and especially the Future Farmers’ of America (FFA) organization and their army of students who did yeomen’s work to gather the requisite number of participants and bring the project to fruition.

Purpose

The purpose of this program is to support agricultural education, agricultural career awareness and development, agricultural career training, and agricultural leadership development to assist students at the kindergarten through twelfth grade (K-12), post-secondary, and adult education levels. Supporting these educational and training areas will provide participants further agricultural opportunities and experiences at the local and statewide levels.

The CalAgPlate program is consistent with CDFA’s mission to protect and promote California’s agricultural sector.

Funding and Eligibility

CDFA anticipates that up to \$260,000 will be awarded to projects to support agricultural education and training. Future funding is dependent upon generated CalAgPlate fees.

Two funding opportunities available:

	Funding Availability
Actual as of August 2017:	\$191,000
Projected as of December 2017:	\$271,000
State Administrative Cost: *	\$ 11,000*
Total Available for Awards:	
Projected Tier 1:	\$221,000
Projected Tier 2:	\$ 39,000

**State/ CDFA Operating Cost*

Tier 1 – California Adopted Agricultural Education Programs

Up to 85 percent (\$221,000) of total available grant award funding is reserved for the California FFA Association; the non-profit organization that represents state adopted Agricultural Education Programs (Education Code Sections 52450-52454). These programs have proven to be effective on a statewide basis in meeting the priorities and intent of the CalAgPlate program.

Grant awards under Tier1 range from \$10,000 to \$221,000 per project.

Applicants interested in applying for Tier 1 funding must coordinate directly with the California FFA Association. Please contact California FFA Association at (209) 744-1600 or by email at mmaberto@californiaffa.org

Tier 2 – Local/Community/State Agricultural Education Programs

Up to 15 percent (\$39,000) of available funding will be awarded to eligible Local/Community/State Agricultural Education Programs. This Tier is open to non-profit organizations, as well as state, local and Indian tribal government agencies within California which promote and administer agricultural education and leadership programs targeting K-12, post-secondary, and adult education. Individual schools and school districts are encouraged to partner with eligible non-profit organizations. Universities are ineligible to directly apply, however, they can partner with eligible organizations on a proposed CalAgPlate project.

Grant awards under Tier 2 range \$2,500 to \$20,000 per project.

CDFA reserves the right to offer an award that is different than the amount requested. There is no limit on the number of grant proposals applicants may submit; however, each grant proposal should be for a wholly unique project. No more than three grant proposals from the same applicant organization will be considered.

Grant Duration

The maximum grant duration is one (1) year, six (6) months and grant funds cannot be expended before January 1, 2018 or after June 30, 2019.

Program Goals

The CalAgPlate program is devoted to enhancing youth agricultural programs to further support agricultural educational, career education, career training, and leadership development goals.

The CalAgPlate program goals are:

- (1) **Agricultural Education:** Increase the availability of and access to agricultural education in communities throughout the state to provide participants with an enriched understanding of agricultural production, business management, and the diverse environmental complexities associated with farming (i.e. air and water).
- (2) **Agricultural Career Awareness and Development:** Encourage more students to enter the farming profession through greater recognition and promotion of the skills needed for agricultural production including marketing, computer/electrical/ mechanical engineering, and agricultural/environmental science.
- (3) **Agricultural Career Training:** Further develop opportunities and programs for agricultural career training that links private agricultural businesses with participants to provide hands-on experience and mentorships for those individuals interested in an agricultural profession.
- (4) **Agricultural Leadership Development:** Enhance youth and adult leadership development activities and professional skill sets through educational and leadership experiences that expose participants to government, private business and non-profit organizations that work on agricultural policy.

The CalAgPlate program is designed to ensure that students have access to agricultural education, leadership, and career training opportunities to enrich their understanding of California agriculture.

Funding Categories

CDFA has identified three funding categories. Funding categories are intended to help prospective applicants develop their projects and submit to the most appropriate category. Eligible projects are not limited to the examples listed below.

Agricultural Education

In this funding category, CDFA will consider projects that enhance and benefit agricultural education opportunities for students and educators.

Examples:

- School garden programs
- Hands-on agriculture learning experiences
- Field trips to farms/ranches
- Agriculture demonstrations/activities (e.g., fair exhibits)
- Agricultural curriculum development and implementation

Agricultural Career Awareness, Development and Training

In this funding category, CDFA will consider projects that promote and support agricultural career development and training for high school and college students.

Examples:

- Hands-on training experiences and mentorship programs
- Outreach programs and career fairs
- Informational workshops for next generation/beginning farmers
- Agricultural education programs and events

Agricultural Leadership Development

In this funding category, CDFA will consider projects that provide leadership experiences and skills for participants that encourage agriculture leadership development.

Examples:

- Agricultural leadership conferences
- Agricultural leadership training programs
- Education tours focusing on agricultural policy issues/areas

How to Apply

Applicants are required to complete and submit the 2017 CalAgPlate Grant Proposal application using the templates available on the CalAgPlate website www.cdfa.ca.gov/calagplate

The Grant proposal consists of a two part application:

- Cover Page Template
- Grant Proposal and Budget Narrative Template

Grant Proposals must be submitted electronically to grants@cdfa.ca.gov by 5:00 p.m. PDT on October 20, 2017. Submitted Grant proposals will only be considered if the required application templates are complete and attached in one email submission.

Grant Proposal Requirements

1. **Cover Page:** The *cover page* template consists of four sections. Section I: Applicant Details; Section II: Project Management; Section III: Proposal Information and Section IV: Authorization. All section of the cover page must be completed.
2. **Grant Proposal and Budget Narrative:** The *grant proposal narrative* must be completed on the required template, 11-point font and must not exceed five pages, excluding the budget narrative. The *Budget Narrative* must include a description and detailed breakdown of the total grant funds requested by budgetary categories. All costs should be explained in detail with an estimated price per unit.

Reminder: Grant funds must be incurred during the grant duration. Grant funds cannot be expended before January 1, 2018 or after June 30, 2019.

Assistance and Questions

In order to maintain the integrity of the competitive process, CDFA is unable to advise and/or provide individuals information regarding specific grant proposals during the solicitation process. However, CDFA encourages all applicants to view the frequently asked questions available on the CalAgPlate website www.cdfa.ca.gov/calagplate for assistance.

Reporting Requirements

Recipients must submit one Final Performance Report that identifies goals and objectives achieved, including quantifiable results, successes, project delays or lessons learned and any other pertinent information.

Payment Process

If awarded, recipients will be subject to all applicable State regulations. Recipients are required to submit invoices at least quarterly, but no more frequently than monthly for reimbursement of actual expenses incurred to support approved project activities. Invoices must include documentation to support reimbursement requested. Advance payments will not be provided. Ten percent of the total amount of the award will be withheld until receipt, review and approval of the Final Performance Report.

Review and Notification

CDFFA will conduct two levels of review. The first level is an administrative review to evaluate the completeness, determine whether grant proposals requirements are met and, if applicable, assess an applicant's past CDFFA grant performance. The second level is a technical review conducted by reviewers selected by CDFFA to evaluate the merits of the grant proposal.

Notification and Feedback

Grant proposals that are disqualified during the administrative review will be notified by email within three weeks of the grant proposal due date. All other applicants will be notified by email regarding the status of their grant proposals in December 2017. Feedback will be provided to applicants, upon request, within 60 days of award presentations.

Disqualifications

The following will result in the disqualification of a grant proposal:

- Grant proposals from ineligible institutions such as universities.
- Incomplete grant proposals, including grant proposals with one or more unanswered questions and/or missing, blank, unreadable, corrupt, or otherwise unusable attachments.
- Grant proposals that include activities outside the grant duration.
- Grant proposals requesting less than the minimum award amount or more than the maximum award amount.
- Grant proposals with unallowable costs or activities necessary to complete the project objectives.

APPEAL RIGHTS: Any discretionary action taken by the OGA may be appealed to CDFFA Office of Hearings and Appeals within ten (10) days of receiving this notification. The appeal must be in writing and signed by the responsible party named on the grant application or his/her authorized agent. It must state the grounds for the appeal and include any supporting documents and a copy of the OGA decision you are challenging. The submissions must be sent to the California Department of Food and Agriculture Office of Hearings and Appeals, 1220 N Street, 4th Floor, Sacramento 95814 or emailed to CDFFA.LegalOffice@cdfa.ca.gov . If your submission is not received within the time frame provided above, the appeal will be denied.

Review Criteria

CDFA's intent is to fund projects that can produce the highest degree of measurable benefits to California agricultural education programs in relation to each dollar spent. Grant Proposals will be evaluated based on which proposals demonstrate the greatest public benefit and meet the goals of the CalAgPlate program. The criteria below will serve as guidance to reviewers, upon which grant proposals will be competitively rated. The technical review team will submit recommendations to CDFA for final determination of awards.

1. Project Purpose (10 points)

Scoring will be based on the specific issue, problem, or need the project will address, as well as the timeliness and relevance to California's agricultural industry.

2. Potential Impact (10 points)

Scoring will be based on the anticipated impact on agriculture education and training and the identified beneficiaries.

3. Expected Measurable Outcomes (10 points)

Scoring will be based on the relevance, timeliness and probability of success to achieve the CalAgPlate program goals.

4. Project Work Plan (10 points)

Scoring will be based on the clarity of the work plan and relevance of the specific project activities to the project purpose.

5. Budget Narrative (10 points)

Scoring will be based on the reasonableness of the budget and relevance the project activities and goals.

Special consideration will be given to Grant proposals from statewide organizations administering programs that have curriculum approved by the California Department of Education. Individual local community clubs, chapters and organizations are considered separate from statewide organizations.

Applicants that have not received prior CalAgPlate funding will be given additional consideration during the review process.

Appendix

In developing the Grant Proposal and Budget Narrative, applicants should ensure that all costs are reasonable, necessary to meet the objectives of the project, allowable, and incurred in a manner consistent with the applicant organization's established practices.
