

## VETERINARIAN (GENERAL)

Class Code: 0177 - Exam Code: 6FAVM

Type of Examination:	Departmental Open/Statewide
Opening Date:	Continuous filing
Cut-Off Dates:	05/13/16 10/14/16
Salary	Range A \$5,352 - \$6,991 Range B \$5,614 - \$7,319 Range C \$6,167 - \$8,049 Range D \$6,780 - \$8,438
Employment Type:	Permanent Full-time Permanent Part-time Permanent Intermittent Limited Term Full-time Limited Term Part-time Limited Term Intermittent

### **EQUAL EMPLOYMENT OPPORTUNITY**

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

### **DRUG FREE STATEMENT**

It is an objective of the State of California to achieve a drug-free state workplace. Any applicant for State employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing civil service, and the special trust placed in public servants.

### **WHO CAN APPLY**

Applicants who meet the minimum qualifications as stated below. This is a Departmental Open Statewide examination. Applications will not be accepted on a promotional basis. Career credits do not apply.

### **CONTINUOUS FILING INSTRUCTIONS**

The testing office will accept applications continuously and will notify and test applicants as needs warrant. **Testing is considered continuous** as closing dates (cut-off dates) can be set at any time and eligible lists are merged. The testing period for this examination is 12 months. The beginning of the testing period is based upon when an individual is placed on the eligible list. **A person may not be examined more than once in a testing period. Therefore, if you have taken this examination within the last 12 months, you are not eligible to apply or compete in this examination.**

### **FINAL CUT-OFF DATES**

The testing office has established the following application cut-off dates: May 13, 2016 and October 14, 2016. Submission of applications after the cut-off date will be held over for the next examination.

**HOW TO APPLY**

Submit a Standard State Application (STD. Form 678) **and** Supplemental Application to the address indicated below.

- Standard State Application (STD. Form 678) is available through the internet at <https://jobs.ca.gov/Public/StateForms.aspx>
- Supplemental Application is attached below. **Applicants who do not submit a Supplemental Application will be disqualified.**
- All applications must include “to” and “from” dates (month/day/year) and time base.
- Applications received without this information may be rejected.
- Resumes **will not** be accepted in lieu of a completed State Application, (STD. Form 678).
- Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

**DO NOT SUBMIT APPLICATIONS TO THE CALIFORNIA DEPARTMENT OF HUMAN RESOURCES (CalHR).**

**WHERE TO APPLY**

**By mail/In person:** California Department of Food and Agriculture  
Examination Unit, Attn: **Cindy Torres**  
1220 N Street, Room 242  
Sacramento, CA 95814  
(916) 403-6581

**By e-mail:** [exams@cdfa.ca.gov](mailto:exams@cdfa.ca.gov)

**NOTE:** Facsimile (FAX) applications will not be accepted under any circumstances.

**ELIGIBLE LIST INFORMATION**

A Departmental “Open” list will be established for the California Department of Food and Agriculture. The names of successful competitors are merged onto the list in order of final scores, regardless of test date. Eligibility expires **12** months after it is established. Competitors must then retake the exam to reestablish eligibility.

**REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION**

All applications must meet the education and/or experience requirements as stated on this examination announcement. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

**MINIMUM QUALIFICATIONS**

Possession of a valid license issued by the Board of Examiners in Veterinary Medicine for the State of California to practice as a Doctor of Veterinary Medicine. [Applicants who do not possess a valid California license but who are eligible to take the next scheduled State Board Examination (California Practical), or the next scheduled Reciprocity Exam as determined by the Board of Examiners in Veterinary Medicine for the State of California may be appointed, but must secure the required license within 12 months of the date of appointment.] **and**

**Education:** Graduation with a Doctorate Degree in Veterinary medicine from an institution of recognized standing.

**NOTE: SUBMISSION OF TRANSCRIPTS/DEGREE IS REQUIRED TO VERIFY THE EDUCATION REQUIREMENT. FAILURE TO DO SO MAY RESULT IN A DELAY OF YOUR APPROVAL TO COMPETE IN THE EXAMINATION.**

**POSITION DESCRIPTION**

Positions in the Veterinarian (General) classifications perform pathologic and epidemiologic investigations of zoonotic diseases, epizootic diseases, disease outbreaks, and animal die offs potentially associated with environmental contamination, feed contamination, regulated livestock and poultry diseases, and/or introduction of new or emerging disease that may cause significant losses of wildlife, domestic livestock, and/or domestic poultry, or cause human health threats or severe trade restrictions; research, recommend, implement, and/or maintain measures to prevent spread of zoonotic, epizootic, and/or emerging diseases; plan effective methods of prevention and eradication of such diseases; respond during emergency disease control efforts to any location in California and implement disease control measures; conduct necropsies on wildlife and/or domestic livestock and poultry specimens; conduct physical examination and treatment of live wildlife and/or domestic livestock and poultry; and comply with employee safety policies of the hiring agency up to and including medical evaluations.

Incumbents may also conduct research on the effects of petroleum and/or other pollutants and toxicants on wildlife and/or domestic livestock and poultry health; perform surgery; perform laboratory analyses on biological specimens taken from sick, injured, captured, or dead animals; conduct research on pertinent wildlife and/or domestic livestock and poultry health problems; provide veterinary medical support during wildlife capture, testing, drug dispensing, and training and during any large-scale disaster as directed by the Governor; serve as a technical or subject-matter expert; consult with other agencies and institutions involved in related research; write reports and technical publications; and review legislation, regulations and policy, and provide recommendations.

Under close to general supervision, incumbents at the entry, training, and first working level conduct routine veterinary tests making veterinary inspections. Incumbents perform progressively more difficult and responsible assignments with a minimum of supervision as experience and competence are gained; however, they are not regularly assigned the full range of journey level work, including the more difficult assignments. Incumbents work independently, follow general work instructions and standardized practices, and learn the regulations, laws, philosophy, field procedures, medical management of wildlife and domestic livestock and poultry, surgical or necropsy procedures, epidemiology, diagnosis and disease control, and eradication procedures.

Under general direction, incumbents at the full and advanced journey level exercise a high degree of initiative and independent judgment. Incumbents plan, organize, and coordinate professional veterinary work in the identification, prevention, treatment, control, and eradication of diseases and environmental toxicology problems in wildlife and/or domestic livestock and poultry populations statewide or within a specific geographic area. Incumbents may act in a lead capacity and provide technical guidance and train lower level professional and sub-professional staff. Incumbents provide technical assistance to regional and division staff and to local veterinarians, and coordinate the activities of contract veterinarians through field visits; evaluate the effectiveness of programs; determine applicability of established procedures for disease prevention, control, and eradication; develop and recommend new practices and procedures; and prepare reports and perform as principal investigator on specific wildlife and/or domestic livestock or poultry investigation projects requiring medical expertise.

**EXAMINATION INFORMATION**

This examination will consist of a Supplemental Application – weighted 100%. Competitors who do not submit the Supplemental Application will be disqualified.

**SUPPLEMENTAL APPLICATION – WEIGHTED 100%**

The California Department of Food and Agriculture and the California Department of Human Resources (CalHR) reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service laws and rules and all competitors will be notified.

**SCOPE OF EXAM AND KNOWLEDGE, SKILLS AND ABILITIES**

In addition to evaluating the competitor's relative abilities as demonstrated by quality and breadth of experience, emphasis in the examining interview will be on measuring competitively, relative to job demands, each competitor's:

**KNOWLEDGE AND ABILITIES**

The following are the general and technical competencies that apply to the Veterinarian (General) specification. Includes both General (knowledge, skills, abilities, and on-the-job behaviors that can be applied across different jobs and organizations) and Technical Competencies (knowledge and technical skills specific to each job that are usually developed through education or professional training) that are required for all classifications within the series specifications.

**GENERAL COMPETENCIES**

The following general competencies are in the State of California Scientist Rank and File General Competency Model. This Model also provides examples of the successful behaviors associated with each defined competency. These competencies are the basis for a number of personnel management practices including, but not limited to, the development of selection methods, training, individual development plans, and performance management.

1. Maintaining Scientific Expertise: Applies technical expertise to tasks and professional development.
2. Applying Science for California's Benefit and Protection: Analytical thinking, decision making, diagnostic information gathering, forward thinking, and planning and organizing.
3. Displaying Personal and Professional Credibility: Ethics and integrity, initiative, personal credibility, stress management, and thoroughness.
4. Conveying Scientific Information: Oral communication and written communication.
5. Building Collaborative Working Relationships: Flexibility, interpersonal skills, and teamwork.

**TECHNICAL COMPETENCIES****Knowledge of:**

1. Animal science;
2. Bacteriology;
3. Biochemistry;
4. Biology including basic concepts of microbiology and virology;
5. Current issues and literature of subject-matter area;
6. Epidemiology;
7. Laws, rules, and regulations as related to veterinary programs;
8. Parasitology;
9. Pathology;
10. Pharmacology;
11. Physiology;
12. Public health;
13. Toxicology;
14. Veterinary emergency response;
15. Veterinary medicine;
16. Data Collection, coding, and processing;
17. Immunology and serology;
18. Research methodology, interpretation, and reporting.

**SPECIAL PERSONAL CHARACTERISTICS**

Willingness to travel and work under difficulties involved in preventing and combating epizootics of wildlife, livestock and poultry diseases.

**ADDITIONAL DESIRABLE QUALIFICATIONS**

Preference may be given to veterinarians who possess a valid driver license of the appropriate class issued by the Department of Motor Vehicles prior to appointment into a position with this department; a post D.V.M. Master's Degree in Preventative Veterinary Medicine, Public Health, Board Certification in a specialty area of veterinary medicine, or a PhD. in a related field.

**EDUCATION AND EXPERIENCE**

If conditions warrant, this examination may utilize an evaluation of each competitor's experience and education compared to a standard developed from the class specification. For this reason, it is especially important that each candidate take special care in accurately and completely filling out his or her application. List all experience relevant to the "Requirements for Admittance to the Examination" shown on this announcement, even if that experience goes beyond the seven-year limit printed on the application. Supplementary information will be accepted, but read the "Requirements for Admittance to the Examination" carefully to see what kind of information will be useful to the staff doing the evaluation.

**VETERANS' PREFERENCE**

Veterans' Preference will be granted for this examination. Effective January 1, 2014, in accordance with Government Codes 18973.1 and 18973.5, whenever any veteran, widow or widower of a veteran, or spouse of a 100 percent-disabled veteran achieves a passing score on an open examination, he or she shall be ranked in the top rank of the resulting eligibility list. This section shall not apply to any veteran who has been dishonorably discharged or released.

**CAREER CREDITS**

Career Credits **will not** be added to the final score of this examination, because it does not meet the requirements to qualify for Career Credits.

**CONTACT INFORMATION**

If you have any questions regarding this announcement, please contact:

The California Department of Food and Agriculture

Examination Unit

1220 N Street, Room 242

Sacramento, CA 95814

Attn: Cindy Torres at (916) 403-6581 or [cindy.torres@cdfa.ca.gov](mailto:cindy.torres@cdfa.ca.gov).

**GENERAL INFORMATION**

**For an examination without a written feature** it is the candidate's responsibility to contact the California Department of Food and Agriculture Examinations Unit at (916) 403-6581 three (3) weeks after the cut-off date if he/she has not received his/her notice.

**If you meet the requirements** stated on this bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. All candidates who pass will be ranked according to their scores.

**General Qualifications:** Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. If an offer of employment is made, a medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

**Eligible Lists:** Eligible lists established by competitive examination, regardless of date, must be used in the following order: ① sub-divisional promotional, ② departmental promotional, ③ multi-departmental promotional, ④ service-wide promotional, ⑤ departmental open, ⑥ open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in from one (1) to four (4) years unless otherwise stated on this bulletin.

**GENERAL INFORMATION CONTINUED**

**Veterans' Preference:** Effective January 1, 2014, in accordance with Government Code 18973.1 and 18973.5, Veterans' Preference will be awarded as follows: 1.) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for Veterans' Preference. 2.) An entrance examination is defined, under the law, as any open competitive examination. And 3.) Veterans' Preference is not granted once a person achieves permanent civil service status.

Veteran status is verified by the California Department of Human Resources (CalHR). Directions to apply for Veterans' Preference are on the Veterans' Preference Application (Std. Form 1093), which is available at <http://jobs.ca.gov/Job/VeteransInformation>, and the Department of Veterans Affairs.

**CALIFORNIA DEPARTMENT OF FOOD AND AGRICULTURE  
SUPPLEMENTAL APPLICATION EXAMINATION FOR  
VETERINARIAN (GENERAL)**

The California Department of Food and Agriculture's (CDFA) Veterinarian (General) examination is being given on an Open Statewide Continuous Filing basis. The examination will consist solely on this Supplement Application.

This Supplemental Application is designed to elicit a range of specific information regarding each candidate's knowledge, skills, abilities, and experience to effectively perform the duties relative to the classification. Candidates are responsible for reading all of the material provided prior to completing the questionnaire. The information you provide will be evaluated using predetermined rating criteria. This Supplemental Application will account for 100% of the weight of your examination for this classification. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. If successful, your name will be merged onto a list based on your final score.

Resumes, letters of reference, and other materials will not be evaluated or considered as responses to items in the Supplemental Application.

A "631 Location Preference Form" is included in this supplemental application to allow you to select the location(s) in which you are interested in working. You will not be scored on the "631 Location Preference Form".

**NOTE: FAILURE TO ACCURATELY AND PROPERLY COMPLETE THIS SUPPLEMENTAL APPLICATION WILL RESULT IN YOUR ELIMINATION FROM THIS EXAMINATION.**

**THIS AFFIRMATION MUST BE COMPLETED:**

I hereby certify and understand that the information provided by me on this Supplemental Application is true and complete to the best of my knowledge and contains no willful misrepresentation or falsifications. I understand this information may be verified at any time. I also understand that if it is discovered that I have made any false representations, I will be removed from the examination process, removed from the list resulting from this examination, and may not be allowed to compete in future examinations for State employment and I may be subject to prosecution for misdemeanor or felony offenses under California Law. Additionally, State employees may have adverse action taken against them up to and including dismissal.

**Your signature (Required):** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Print your name (Required):** \_\_\_\_\_

Your supplemental application will not be scored if you do not provide your name.

**Return your completed Supplemental Application AND your completed Standard State Application (Std. Form 678) to the address below:**

**California Department of Food and Agriculture  
Human Resources Branch  
Attn: Cindy Torres

**VETERINARIAN (GENERAL)  
Supplemental Application**

**PART I**

The following questions are job requirements. Please read each question carefully and respond by marking either YES or NO for the following ten (10) questions. If you are not willing or unable to comply with some or all of the following job requirements, it may be grounds for elimination from the examination process. Not providing a response to an item will be considered a "NO" response.

1. Do you possess a valid driver license?  YES  NO
  
2. Are you willing to travel using a state vehicle within a geographical area?  YES  NO
  
3. Are you willing to travel an extended period of time up to 3 weeks?  YES  NO
  
4. Are you willing to travel to work locations and report to a District Office?  YES  NO
  
5. Are you willing to work around large animals?  YES  NO
  
6. Are you willing to work on all animal species as required in regulatory veterinary medicine?  YES  NO
  
7. Are you willing to wear required safety gear?  YES  NO
  
8. Are you willing to work outdoors up to 75% of the time?  YES  NO
  
9. Are you willing to work in adverse weather conditions such as excessive heat, rain, wind, fog, dust, mud, etc.?  YES  NO
  
10. Are you willing and able to perform light to moderate physical work such as walking, standing, sitting, bending, stooping, reaching and lifting up to 15 pounds etc., on a regular basis to perform inspection activities?  YES  NO

## Veterinarian (General) Supplemental Application

### PART II

		<i>Knowledge</i>				<i>Experience</i>			
		No Knowledge – I have no knowledge of how to perform this task or what it may entail.	Basic/Limited knowledge- I have some knowledge of how to perform this task, but may require additional instruction to apply my knowledge effectively.	Moderate Knowledge - I possess a sufficient knowledge level that would allow me to perform this task successfully	Extensive Knowledge -I could effectively perform this action under the majority of circumstances or situations encountered; and I could instruct others on specific aspects of this action.	No experience – I have no experience performing this task.	Some Experience – I have less than one year experience performing this task.	Moderate Experience - I have one to four years experience performing this task.	Extensive Experience - I have performed this task four or more years.
<b>INSTRUCTIONS:</b>									
For each item listed below in rows “1 through 38”, place ONE “X” in the <i>Knowledge</i> column which most accurately represents the knowledge you have with the following tasks.									
Also, for each item listed below in rows “1 through 38”, place ONE “X” in the <i>Experience</i> column which most accurately represents the experience you have with the following tasks.									
NOTE: Credit will not be given for items not marked.									
	<b>Investigations and Inspections</b>								
1.	Investigate livestock or poultry disease outbreaks and animal die offs that may cause significant losses of livestock or poultry, public health threats or trade restrictions.								
2.	Develop short and long-range work objectives for activities and operations.								
3.	Evaluate methods to prevent, control or eradicate infectious diseases or toxic events.								
4.	Plan methods to prevent, control or eradicate infectious diseases or toxic events.								
5.	Implement methods to prevent, control or eradicate infectious diseases or toxic events.								
6.	Establish work priorities, scope of assignments and deadlines to ensure objectives are effectively met in a timely manner.								
7.	Obtain and submit appropriate animal or environmental samples to diagnose disease or toxic events.								
8.	Perform field tests on appropriate animal or environmental samples to diagnose disease or toxic events.								

## Veterinarian (General) Supplemental Application
